SECTION C: EXPENSES

¹ www.oanda.com, www.x-rates.com and are some example of such websites. In providing these examples, ICSID does not endorse or in any way, recommend or officially recognize these sources.

For each city visited in connection with direct travel to/from meetings of the Tribunal/Commission/Committee, enter the reimbursable expenses in the currency incurred. Start with the departure city.

- City of departure or where the expenses were incurred i.e. London
- City of arrival or where the expenses were incurred i.e. hearing or meeting in Washington D.C.
- Currency in which the expenses were paid (i.e. pound Sterling, euro, US dollars, etc) in that city

Part 1: SUBSISTENCE: Covers reimbursement of hotel costs and applicable per diem.

- You may select either Part (a) "Mixed Rate" (actual hotel room and tax, plus 50% of applicable city per diem allowance), or alternatively, Part (b) "Full Per Diem".
- In addition, please also complete Part (e) "One-half of Standard Per Diem" for each day spent travelling to/from the city where the hearings/meetings were held. One-half of the Standard Per Diem is currently US\$ 58.
- Under Hotel Room + Tax, enter only Hotel Room charges AND applicable taxes or mandatory service charges. Please DO NOT include any meals, room service charges, laundry/valet, personal communications, in-room entertainment, etc that may have also been included in the hotel invoice. These expenses are considered to be covered by the per diem allowance which is explained in the next paragraph.

Example of Mixed Rate claim for one day & night in Paris:

List expenses by city and currency Use separate columns for each currency	City	Paris
	Currency	euro
1. SUBSISTENCE: fill out (a), or (b) and (c)		
(a) Mixed Rate: Hotel Room + Tax		235.00
50% of applicable per diem for each hotel night		68.50
(b) Full Per Diem (instead of Mixed Rate) - use applicable per diem rate		0.00
(c) One Half of Standard Per Diem:	(i) for day trips	0.00
	(ii) for overnight trips	85.19

Hotel Room charges of €200 + tax of €35 = €235

50% of applicable per diem for Paris at US\$ 185 = US\$ 92.50 / \$1.35/euro exch rate = €68.50

One day travel to and one day travel from Paris:

US\$58 x 2 = \$116 / \$1.35/euro exch rate = €85.19

- Selection of "Full Per Diem" for each night spent in a hotel means the authorized applicable per diem covers hotel room, tax and all other subsistence costs (meals, gratuities, valet, etc). The per diem allowance varies depending on the city. PLEASE SEE ATTACHED LIST. Please note that under this alternative you are not allowed to claim a reimbursement for the actual cost for the hotel, but only the applicable "Full per diem" amount.

PART 2: IN/OUT

- Complete either (a) **Actual expenses**
 - Charges incurred for transportation to and from terminals such as reimbursement for the actual cost of portage, taxis, airport or similar taxes, and other incidental expenses necessary for moving to and from a terminal. In such a case, the actual costs incurred should be itemized and supported by appropriate documentation when submitting the claim.
- OR
- (b) **In/Out Allowance**
 - A flat "in-out allowance" per city per visit of US\$ 54 to cover expenses necessary for travelled to and from the terminal.

Example of actual expenses claim for taxi to & from Paris airport plus baggage handling:

2. IN/OUT: Enter (a) actual expenses OR (b) In/Out allowance	
(a) Transportation to/from Airport	120.00
Baggage handling & Airport Tax	6.00
(b) In/Out Allowance (US\$ 54 per city)	0.00

PART 3: OTHER and PART 5: EXPLANATION FOR EXPENSES LISTED UNDER PART 3

Indicate amounts claimed for actual reasonable costs of telephone, fax, internet access, in-city or other transportation, photocopying, and other reimbursable items incurred in connection with the hearing, meeting or associated work therefore. Provide more detailed explanation in Part 5 of Section C for items claimed in Part 3 under MISCELLANEOUS. Use the drop-down list on the first two lines of Part 5 to select the most common miscellaneous reimbursable expenses or enter detailed explanations using the last two lines of Part 5.
