Dear All,

We suggest the amendment of paragraph 1 of the Rule 41 of the ICSID Arbitration Rules, to be read as follows:

Rule 41
Preliminary Objections

- (1) Any objection that the dispute or any ancillary claim is not within the jurisdiction of the Centre or, for other reasons, is not within the competence of the Tribunal shall be made as early as possible. A party shall file the objection with the Secretary-General in cases where the objection is made before the constitution of the tribunal, or, with the tribunal after its constitution no later than the expiration of the time limit fixed for the filing of the counter-memorial, or, if the objection relates to an ancillary claim, for the filing of the rejoinder—unless the facts on which the objection is based are unknown to the party at that time, then, that party shall state its objection within the time limit agreed upon, or within 14 days of becoming aware of the facts on which the objection is based in the absence of such agreement, otherwise that party shall be deemed to have waived its right to object.

Kind regards
