INTRODUCTION

The International Centre for Settlement of Investment Disputes (ICSID or the Centre) is established by the Convention on the Settlement of Investment Disputes between States and Nationals of Other States (the ICSID Convention or the Convention). The Convention was formulated by the Executive Directors of the International Bank for Reconstruction and Development (the World Bank). On March 18, 1965, the Executive Directors submitted the Convention, with an accompanying Report, to member governments of the World Bank for their consideration of the Convention, with a view to its signature and ratification. The Convention entered into force on October 14, 1966, when it had been ratified by 20 countries.

In accordance with the provisions of the Convention, ICSID provides facilities for conciliation and arbitration of investment disputes between Contracting States and nationals of other Contracting States. The provisions of the ICSID Convention are complemented by Regulations and Rules adopted by the Administrative Council of the Centre pursuant to Article 6(1)(a)–(c) of the Convention (the ICSID Regulations and Rules).

The ICSID Regulations and Rules comprise the ICSID Administrative and Financial Regulations; the ICSID Institution Rules; the ICSID Conciliation Rules; and the ICSID Arbitration Rules. The latest amendments of the ICSID Regulations and Rules adopted by the Administrative Council of the Centre came into effect on July 1, 2022.

Reprinted in this booklet are the ICSID Convention, the Report of the Executive Directors of the World Bank on the Convention, and the ICSID Regulations and Rules as amended effective July 1, 2022.

PREAMBLE

The Contracting States

Considering the need for international cooperation for economic development, and the role of private international investment therein;

Bearing in mind the possibility that from time to time disputes may arise in connection with such investment between Contracting States and nationals of other Contracting States;

Recognizing that while such disputes would usually be subject to national legal processes, international methods of settlement may be appropriate in certain cases;

Attaching particular importance to the availability of facilities for international conciliation or arbitration to which Contracting States and nationals of other Contracting States may submit such disputes if they so desire;

Desiring to establish such facilities under the auspices of the International Bank for Reconstruction and Development;

Recognizing that mutual consent by the parties to submit such disputes to conciliation or to arbitration through such facilities constitutes a binding agreement which requires in particular that due consideration be given to any recommendation of conciliators, and that any arbitral award be complied with; and

Declaring that no Contracting State shall by the mere fact of its ratification, acceptance or approval of this Convention and without its consent be deemed to be under any obligation to submit any particular dispute to conciliation or arbitration,

Have agreed as follows:
CHAPTER I
INTERNATIONAL CENTRE FOR
SETTLEMENT OF INVESTMENT DISPUTES

Section 1
Establishment and Organization

Article 1
(1) There is hereby established the International Centre for Settlement of Investment Disputes (hereinafter called the Centre).
(2) The purpose of the Centre shall be to provide facilities for conciliation and arbitration of investment disputes between Contracting States and nationals of other Contracting States in accordance with the provisions of this Convention.

Article 2
The seat of the Centre shall be at the principal office of the International Bank for Reconstruction and Development (hereinafter called the Bank). The seat may be moved to another place by decision of the Administrative Council adopted by a majority of two-thirds of its members.

Article 3
The Centre shall have an Administrative Council and a Secretariat and shall maintain a Panel of Conciliators and a Panel of Arbitrators.

Section 2
The Administrative Council

Article 4
(1) The Administrative Council shall be composed of one representative of each Contracting State. An alternate may act as representative in case of his principal’s absence from a meeting or inability to act.
(2) In the absence of a contrary designation, each governor and alternate governor of the Bank appointed by a Contracting
State shall be *ex officio* its representative and its alternate respectively.

**Article 5**

The President of the Bank shall be *ex officio* Chairman of the Administrative Council (hereinafter called the Chairman) but shall have no vote. During his absence or inability to act and during any vacancy in the office of President of the Bank, the person for the time being acting as President shall act as Chairman of the Administrative Council.

**Article 6**

1. Without prejudice to the powers and functions vested in it by other provisions of this Convention, the Administrative Council shall:
   
   (a) adopt the administrative and financial regulations of the Centre;
   
   (b) adopt the rules of procedure for the institution of conciliation and arbitration proceedings;
   
   (c) adopt the rules of procedure for conciliation and arbitration proceedings (hereinafter called the Conciliation Rules and the Arbitration Rules);
   
   (d) approve arrangements with the Bank for the use of the Bank’s administrative facilities and services;
   
   (e) determine the conditions of service of the Secretary-General and of any Deputy Secretary-General;
   
   (f) adopt the annual budget of revenues and expenditures of the Centre;
   
   (g) approve the annual report on the operation of the Centre.

   The decisions referred to in subparagraphs (a), (b), (c) and (f) above shall be adopted by a majority of two-thirds of the members of the Administrative Council.

   2. The Administrative Council may appoint such committees as it considers necessary.

   3. The Administrative Council shall also exercise such other powers and perform such other functions as it shall determine to be necessary for the implementation of the provisions of this Convention.
Article 7

(1) The Administrative Council shall hold an annual meeting and such other meetings as may be determined by the Council, or convened by the Chairman, or convened by the Secretary-General at the request of not less than five members of the Council.

(2) Each member of the Administrative Council shall have one vote and, except as otherwise herein provided, all matters before the Council shall be decided by a majority of the votes cast.

(3) A quorum for any meeting of the Administrative Council shall be a majority of its members.

(4) The Administrative Council may establish, by a majority of two-thirds of its members, a procedure whereby the Chairman may seek a vote of the Council without convening a meeting of the Council. The vote shall be considered valid only if the majority of the members of the Council cast their votes within the time limit fixed by the said procedure.

Article 8

Members of the Administrative Council and the Chairman shall serve without remuneration from the Centre.

Section 3
The Secretariat

Article 9

The Secretariat shall consist of a Secretary-General, one or more Deputy Secretaries-General and staff.

Article 10

(1) The Secretary-General and any Deputy Secretary-General shall be elected by the Administrative Council by a majority of two-thirds of its members upon the nomination of the Chairman for a term of service not exceeding six years and shall be eligible for re-election. After consulting the members of the Administrative Council, the Chairman shall propose one or more candidates for each such office.

(2) The offices of Secretary-General and Deputy Secretary-General shall be incompatible with the exercise of any political
function. Neither the Secretary-General nor any Deputy Secretary-General may hold any other employment or engage in any other occupation except with the approval of the Administrative Council.

(3) During the Secretary-General’s absence or inability to act, and during any vacancy of the office of Secretary-General, the Deputy Secretary-General shall act as Secretary-General. If there shall be more than one Deputy Secretary-General, the Administrative Council shall determine in advance the order in which they shall act as Secretary-General.

**Article 11**

The Secretary-General shall be the legal representative and the principal officer of the Centre and shall be responsible for its administration, including the appointment of staff, in accordance with the provisions of this Convention and the rules adopted by the Administrative Council. He shall perform the function of registrar and shall have the power to authenticate arbitral awards rendered pursuant to this Convention, and to certify copies thereof.

**Section 4**

**The Panels**

**Article 12**

The Panel of Conciliators and the Panel of Arbitrators shall each consist of qualified persons, designated as hereinafter provided, who are willing to serve thereon.

**Article 13**

(1) Each Contracting State may designate to each Panel four persons who may but need not be its nationals.

(2) The Chairman may designate ten persons to each Panel. The persons so designated to a Panel shall each have a different nationality.

**Article 14**

(1) Persons designated to serve on the Panels shall be persons of high moral character and recognized competence in the fields of law, commerce, industry or finance, who may be relied upon
to exercise independent judgment. Competence in the field of law shall be of particular importance in the case of persons on the Panel of Arbitrators.

(2) The Chairman, in designating persons to serve on the Panels, shall in addition pay due regard to the importance of assuring representation on the Panels of the principal legal systems of the world and of the main forms of economic activity.

Article 15

(1) Panel members shall serve for renewable periods of six years.

(2) In case of death or resignation of a member of a Panel, the authority which designated the member shall have the right to designate another person to serve for the remainder of that member’s term.

(3) Panel members shall continue in office until their successors have been designated.

Article 16

(1) A person may serve on both Panels.

(2) If a person shall have been designated to serve on the same Panel by more than one Contracting State, or by one or more Contracting States and the Chairman, he shall be deemed to have been designated by the authority which first designated him or, if one such authority is the State of which he is a national, by that State.

(3) All designations shall be notified to the Secretary-General and shall take effect from the date on which the notification is received.

Section 5

Financing the Centre

Article 17

If the expenditure of the Centre cannot be met out of charges for the use of its facilities, or out of other receipts, the excess shall be borne by Contracting States which are members of the Bank in proportion to their respective subscriptions to the capital stock of the Bank, and by Contracting States which are not members of the Bank in accordance with rules adopted by the Administrative Council.
Section 6
Status, Immunities and Privileges

Article 18
The Centre shall have full international legal personality. The legal capacity of the Centre shall include the capacity:

(a) to contract;
(b) to acquire and dispose of movable and immovable property;
(c) to institute legal proceedings.

Article 19
To enable the Centre to fulfil its functions, it shall enjoy in the territories of each Contracting State the immunities and privileges set forth in this Section.

Article 20
The Centre, its property and assets shall enjoy immunity from all legal process, except when the Centre waives this immunity.

Article 21
The Chairman, the members of the Administrative Council, persons acting as conciliators or arbitrators or members of a Committee appointed pursuant to paragraph (3) of Article 52, and the officers and employees of the Secretariat

(a) shall enjoy immunity from legal process with respect to acts performed by them in the exercise of their functions, except when the Centre waives this immunity;
(b) not being local nationals, shall enjoy the same immunities from immigration restrictions, alien registration requirements and national service obligations, the same facilities as regards exchange restrictions and the same treatment in respect of travelling facilities as are accorded by Contracting States to the representatives, officials and employees of comparable rank of other Contracting States.
Article 22

The provisions of Article 21 shall apply to persons appearing in proceedings under this Convention as parties, agents, counsel, advocates, witnesses or experts; provided, however, that sub-paragraph (b) thereof shall apply only in connection with their travel to and from, and their stay at, the place where the proceedings are held.

Article 23

(1) The archives of the Centre shall be inviolable, wherever they may be.

(2) With regard to its official communications, the Centre shall be accorded by each Contracting State treatment not less favourable than that accorded to other international organizations.

Article 24

(1) The Centre, its assets, property and income, and its operations and transactions authorized by this Convention shall be exempt from all taxation and customs duties. The Centre shall also be exempt from liability for the collection or payment of any taxes or customs duties.

(2) Except in the case of local nationals, no tax shall be levied on or in respect of expense allowances paid by the Centre to the Chairman or members of the Administrative Council, or on or in respect of salaries, expense allowances or other emoluments paid by the Centre to officials or employees of the Secretariat.

(3) No tax shall be levied on or in respect of fees or expense allowances received by persons acting as conciliators, or arbitrators, or members of a Committee appointed pursuant to paragraph (3) of Article 52, in proceedings under this Convention, if the sole jurisdictional basis for such tax is the location of the Centre or the place where such proceedings are conducted or the place where such fees or allowances are paid.
CHAPTER II
JURISDICTION OF THE CENTRE

Article 25

(1) The jurisdiction of the Centre shall extend to any legal dispute arising directly out of an investment, between a Contracting State (or any constituent subdivision or agency of a Contracting State designated to the Centre by that State) and a national of another Contracting State, which the parties to the dispute consent in writing to submit to the Centre. When the parties have given their consent, no party may withdraw its consent unilaterally.

(2) “National of another Contracting State” means:

(a) any natural person who had the nationality of a Contracting State other than the State party to the dispute on the date on which the parties consented to submit such dispute to conciliation or arbitration as well as on the date on which the request was registered pursuant to paragraph (3) of Article 28 or paragraph (3) of Article 36, but does not include any person who on either date also had the nationality of the Contracting State party to the dispute; and

(b) any juridical person which had the nationality of a Contracting State other than the State party to the dispute on the date on which the parties consented to submit such dispute to conciliation or arbitration and any juridical person which had the nationality of the Contracting State party to the dispute on that date and which, because of foreign control, the parties have agreed should be treated as a national of another Contracting State for the purposes of this Convention.

(3) Consent by a constituent subdivision or agency of a Contracting State shall require the approval of that State unless that State notifies the Centre that no such approval is required.

(4) Any Contracting State may, at the time of ratification, acceptance or approval of this Convention or at any time thereafter, notify the Centre of the class or classes of disputes which it would or would not consider submitting to the jurisdiction of the Centre. The Secretary-General shall forthwith transmit such notification to all Contracting States. Such notification shall not constitute the consent required by paragraph (1).
Article 26

Consent of the parties to arbitration under this Convention shall, unless otherwise stated, be deemed consent to such arbitration to the exclusion of any other remedy. A Contracting State may require the exhaustion of local administrative or judicial remedies as a condition of its consent to arbitration under this Convention.

Article 27

(1) No Contracting State shall give diplomatic protection, or bring an international claim, in respect of a dispute which one of its nationals and another Contracting State shall have consented to submit or shall have submitted to arbitration under this Convention, unless such other Contracting State shall have failed to abide by and comply with the award rendered in such dispute.

(2) Diplomatic protection, for the purposes of paragraph (1), shall not include informal diplomatic exchanges for the sole purpose of facilitating a settlement of the dispute.

CHAPTER III
CONCILIATION

Section 1
Request for Conciliation

Article 28

(1) Any Contracting State or any national of a Contracting State wishing to institute conciliation proceedings shall address a request to that effect in writing to the Secretary-General who shall send a copy of the request to the other party.

(2) The request shall contain information concerning the issues in dispute, the identity of the parties and their consent to conciliation in accordance with the rules of procedure for the institution of conciliation and arbitration proceedings.

(3) The Secretary-General shall register the request unless he finds, on the basis of the information contained in the request, that the dispute is manifestly outside the jurisdiction of the Centre. He shall forthwith notify the parties of registration or refusal to register.
Section 2
Constitution of the Conciliation Commission

Article 29

(1) The Conciliation Commission (hereinafter called the Commission) shall be constituted as soon as possible after registration of a request pursuant to Article 28.

(2) (a) The Commission shall consist of a sole conciliator or any uneven number of conciliators appointed as the parties shall agree.

(b) Where the parties do not agree upon the number of conciliators and the method of their appointment, the Commission shall consist of three conciliators, one conciliator appointed by each party and the third, who shall be the president of the Commission, appointed by agreement of the parties.

Article 30

If the Commission shall not have been constituted within 90 days after notice of registration of the request has been dispatched by the Secretary-General in accordance with paragraph (3) of Article 28, or such other period as the parties may agree, the Chairman shall, at the request of either party and after consulting both parties as far as possible, appoint the conciliator or conciliators not yet appointed.

Article 31

(1) Conciliators may be appointed from outside the Panel of Conciliators, except in the case of appointments by the Chairman pursuant to Article 30.

(2) Conciliators appointed from outside the Panel of Conciliators shall possess the qualities stated in paragraph (1) of Article 14.

Section 3
Conciliation Proceedings

Article 32

(1) The Commission shall be the judge of its own competence.
(2) Any objection by a party to the dispute that that dispute is not within the jurisdiction of the Centre, or for other reasons is not within the competence of the Commission, shall be considered by the Commission which shall determine whether to deal with it as a preliminary question or to join it to the merits of the dispute.

Article 33

Any conciliation proceeding shall be conducted in accordance with the provisions of this Section and, except as the parties otherwise agree, in accordance with the Conciliation Rules in effect on the date on which the parties consented to conciliation. If any question of procedure arises which is not covered by this Section or the Conciliation Rules or any rules agreed by the parties, the Commission shall decide the question.

Article 34

(1) It shall be the duty of the Commission to clarify the issues in dispute between the parties and to endeavour to bring about agreement between them upon mutually acceptable terms. To that end, the Commission may at any stage of the proceedings and from time to time recommend terms of settlement to the parties. The parties shall cooperate in good faith with the Commission in order to enable the Commission to carry out its functions, and shall give their most serious consideration to its recommendations.

(2) If the parties reach agreement, the Commission shall draw up a report noting the issues in dispute and recording that the parties have reached agreement. If, at any stage of the proceedings, it appears to the Commission that there is no likelihood of agreement between the parties, it shall close the proceedings and shall draw up a report noting the submission of the dispute and recording the failure of the parties to reach agreement. If one party fails to appear or participate in the proceedings, the Commission shall close the proceedings and shall draw up a report noting that party’s failure to appear or participate.

Article 35

Except as the parties to the dispute shall otherwise agree, neither party to a conciliation proceeding shall be entitled in any other
proceeding, whether before arbitrators or in a court of law or otherwise, to invoke or rely on any views expressed or statements or admissions or offers of settlement made by the other party in the conciliation proceedings, or the report or any recommendations made by the Commission.

CHAPTER IV
ARBITRATION

Section 1
Request for Arbitration

Article 36
(1) Any Contracting State or any national of a Contracting State wishing to institute arbitration proceedings shall address a request to that effect in writing to the Secretary-General who shall send a copy of the request to the other party.

(2) The request shall contain information concerning the issues in dispute, the identity of the parties and their consent to arbitration in accordance with the rules of procedure for the institution of conciliation and arbitration proceedings.

(3) The Secretary-General shall register the request unless he finds, on the basis of the information contained in the request, that the dispute is manifestly outside the jurisdiction of the Centre. He shall forthwith notify the parties of registration or refusal to register.

Section 2
Constitution of the Tribunal

Article 37
(1) The Arbitral Tribunal (hereinafter called the Tribunal) shall be constituted as soon as possible after registration of a request pursuant to Article 36.

(2) (a) The Tribunal shall consist of a sole arbitrator or any uneven number of arbitrators appointed as the parties shall agree.

(b) Where the parties do not agree upon the number of arbitrators and the method of their appointment, the Tribunal shall consist of three arbitrators, one arbitrator
appointed by each party and the third, who shall be the president of the Tribunal, appointed by agreement of the parties.

Article 38
If the Tribunal shall not have been constituted within 90 days after notice of registration of the request has been dispatched by the Secretary-General in accordance with paragraph (3) of Article 36, or such other period as the parties may agree, the Chairman shall, at the request of either party and after consulting both parties as far as possible, appoint the arbitrator or arbitrators not yet appointed. Arbitrators appointed by the Chairman pursuant to this Article shall not be nationals of the Contracting State party to the dispute or of the Contracting State whose national is a party to the dispute.

Article 39
The majority of the arbitrators shall be nationals of States other than the Contracting State party to the dispute and the Contracting State whose national is a party to the dispute; provided, however, that the foregoing provisions of this Article shall not apply if the sole arbitrator or each individual member of the Tribunal has been appointed by agreement of the parties.

Article 40
(1) Arbitrators may be appointed from outside the Panel of Arbitrators, except in the case of appointments by the Chairman pursuant to Article 38.

(2) Arbitrators appointed from outside the Panel of Arbitrators shall possess the qualities stated in paragraph (1) of Article 14.

Section 3
Powers and Functions of the Tribunal

Article 41
(1) The Tribunal shall be the judge of its own competence.

(2) Any objection by a party to the dispute that that dispute is not within the jurisdiction of the Centre, or for other reasons is not within the competence of the Tribunal, shall be considered by
the Tribunal which shall determine whether to deal with it as a preliminary question or to join it to the merits of the dispute.

**Article 42**

(1) The Tribunal shall decide a dispute in accordance with such rules of law as may be agreed by the parties. In the absence of such agreement, the Tribunal shall apply the law of the Contracting State party to the dispute (including its rules on the conflict of laws) and such rules of international law as may be applicable.

(2) The Tribunal may not bring in a finding of *non liquet* on the ground of silence or obscurity of the law.

(3) The provisions of paragraphs (1) and (2) shall not prejudice the power of the Tribunal to decide a dispute *ex aequo et bono* if the parties so agree.

**Article 43**

Except as the parties otherwise agree, the Tribunal may, if it deems it necessary at any stage of the proceedings,

(a) call upon the parties to produce documents or other evidence, and

(b) visit the scene connected with the dispute, and conduct such inquiries there as it may deem appropriate.

**Article 44**

Any arbitration proceeding shall be conducted in accordance with the provisions of this Section and, except as the parties otherwise agree, in accordance with the Arbitration Rules in effect on the date on which the parties consented to arbitration. If any question of procedure arises which is not covered by this Section or the Arbitration Rules or any rules agreed by the parties, the Tribunal shall decide the question.

**Article 45**

(1) Failure of a party to appear or to present his case shall not be deemed an admission of the other party’s assertions.
(2) If a party fails to appear or to present his case at any stage of the proceedings the other party may request the Tribunal to deal with the questions submitted to it and to render an award. Before rendering an award, the Tribunal shall notify, and grant a period of grace to, the party failing to appear or to present its case, unless it is satisfied that that party does not intend to do so.

Article 46

Except as the parties otherwise agree, the Tribunal shall, if requested by a party, determine any incidental or additional claims or counterclaims arising directly out of the subject-matter of the dispute provided that they are within the scope of the consent of the parties and are otherwise within the jurisdiction of the Centre.

Article 47

Except as the parties otherwise agree, the Tribunal may, if it considers that the circumstances so require, recommend any provisional measures which should be taken to preserve the respective rights of either party.

Section 4
The Award

Article 48

(1) The Tribunal shall decide questions by a majority of the votes of all its members.

(2) The award of the Tribunal shall be in writing and shall be signed by the members of the Tribunal who voted for it.

(3) The award shall deal with every question submitted to the Tribunal, and shall state the reasons upon which it is based.

(4) Any member of the Tribunal may attach his individual opinion to the award, whether he dissents from the majority or not, or a statement of his dissent.

(5) The Centre shall not publish the award without the consent of the parties.
Article 49

(1) The Secretary-General shall promptly dispatch certified copies of the award to the parties. The award shall be deemed to have been rendered on the date on which the certified copies were dispatched.

(2) The Tribunal upon the request of a party made within 45 days after the date on which the award was rendered may after notice to the other party decide any question which it had omitted to decide in the award, and shall rectify any clerical, arithmetical or similar error in the award. Its decision shall become part of the award and shall be notified to the parties in the same manner as the award. The periods of time provided for under paragraph (2) of Article 51 and paragraph (2) of Article 52 shall run from the date on which the decision was rendered.

Section 5
Interpretation, Revision and Annulment of the Award

Article 50

(1) If any dispute shall arise between the parties as to the meaning or scope of an award, either party may request interpretation of the award by an application in writing addressed to the Secretary-General.

(2) The request shall, if possible, be submitted to the Tribunal which rendered the award. If this shall not be possible, a new Tribunal shall be constituted in accordance with Section 2 of this Chapter. The Tribunal may, if it considers that the circumstances so require, stay enforcement of the award pending its decision.

Article 51

(1) Either party may request revision of the award by an application in writing addressed to the Secretary-General on the ground of discovery of some fact of such a nature as decisively to affect the award, provided that when the award was rendered that fact was unknown to the Tribunal and to the applicant and that the applicant’s ignorance of that fact was not due to negligence.

(2) The application shall be made within 90 days after the discovery of such fact and in any event within three years after the date on which the award was rendered.
(3) The request shall, if possible, be submitted to the Tribunal which rendered the award. If this shall not be possible, a new Tribunal shall be constituted in accordance with Section 2 of this Chapter.

(4) The Tribunal may, if it considers that the circumstances so require, stay enforcement of the award pending its decision. If the applicant requests a stay of enforcement of the award in his application, enforcement shall be stayed provisionally until the Tribunal rules on such request.

Article 52

(1) Either party may request annulment of the award by an application in writing addressed to the Secretary-General on one or more of the following grounds:

(a) that the Tribunal was not properly constituted;
(b) that the Tribunal has manifestly exceeded its powers;
(c) that there was corruption on the part of a member of the Tribunal;
(d) that there has been a serious departure from a fundamental rule of procedure; or
(e) that the award has failed to state the reasons on which it is based.

(2) The application shall be made within 120 days after the date on which the award was rendered except that when annulment is requested on the ground of corruption such application shall be made within 120 days after discovery of the corruption and in any event within three years after the date on which the award was rendered.

(3) On receipt of the request the Chairman shall forthwith appoint from the Panel of Arbitrators an ad hoc Committee of three persons. None of the members of the Committee shall have been a member of the Tribunal which rendered the award, shall be of the same nationality as any such member, shall be a national of the State party to the dispute or of the State whose national is a party to the dispute, shall have been designated to the Panel of Arbitrators by either of those States, or shall have acted as a conciliator in the same dispute. The Committee shall have the authority to annul the award or any part thereof on any of the grounds set forth in paragraph (1).

(4) The provisions of Articles 41-45, 48, 49, 53 and 54, and of Chapters VI and VII shall apply mutatis mutandis to proceedings before the Committee.
(5) The Committee may, if it considers that the circumstances so require, stay enforcement of the award pending its decision. If the applicant requests a stay of enforcement of the award in his application, enforcement shall be stayed provisionally until the Committee rules on such request.

(6) If the award is annulled the dispute shall, at the request of either party, be submitted to a new Tribunal constituted in accordance with Section 2 of this Chapter.

Section 6
Recognition and Enforcement of the Award

Article 53

(1) The award shall be binding on the parties and shall not be subject to any appeal or to any other remedy except those provided for in this Convention. Each party shall abide by and comply with the terms of the award except to the extent that enforcement shall have been stayed pursuant to the relevant provisions of this Convention.

(2) For the purposes of this Section, “award” shall include any decision interpreting, revising or annulling such award pursuant to Articles 50, 51 or 52.

Article 54

(1) Each Contracting State shall recognize an award rendered pursuant to this Convention as binding and enforce the pecuniary obligations imposed by that award within its territories as if it were a final judgment of a court in that State. A Contracting State with a federal constitution may enforce such an award in or through its federal courts and may provide that such courts shall treat the award as if it were a final judgment of the courts of a constituent state.

(2) A party seeking recognition or enforcement in the territories of a Contracting State shall furnish to a competent court or other authority which such State shall have designated for this purpose a copy of the award certified by the Secretary-General. Each Contracting State shall notify the Secretary-General of the designation of the competent court or other authority for this purpose and of any subsequent change in such designation.
(3) Execution of the award shall be governed by the laws concerning the execution of judgments in force in the State in whose territories such execution is sought.

Article 55

Nothing in Article 54 shall be construed as derogating from the law in force in any Contracting State relating to immunity of that State or of any foreign State from execution.

CHAPTER V

REPLACEMENT AND DISQUALIFICATION OF CONCILIATORS AND ARBITRATORS

Article 56

(1) After a Commission or a Tribunal has been constituted and proceedings have begun, its composition shall remain unchanged; provided, however, that if a conciliator or an arbitrator should die, become incapacitated, or resign, the resulting vacancy shall be filled in accordance with the provisions of Section 2 of Chapter III or Section 2 of Chapter IV.

(2) A member of a Commission or Tribunal shall continue to serve in that capacity notwithstanding that he shall have ceased to be a member of the Panel.

(3) If a conciliator or arbitrator appointed by a party shall have resigned without the consent of the Commission or Tribunal of which he was a member, the Chairman shall appoint a person from the appropriate Panel to fill the resulting vacancy.

Article 57

A party may propose to a Commission or Tribunal the disqualification of any of its members on account of any fact indicating a manifest lack of the qualities required by paragraph (1) of Article 14. A party to arbitration proceedings may, in addition, propose the disqualification of an arbitrator on the ground that he was ineligible for appointment to the Tribunal under Section 2 of Chapter IV.
Article 58

The decision on any proposal to disqualify a conciliator or arbitrator shall be taken by the other members of the Commission or Tribunal as the case may be, provided that where those members are equally divided, or in the case of a proposal to disqualify a sole conciliator or arbitrator, or a majority of the conciliators or arbitrators, the Chairman shall take that decision. If it is decided that the proposal is well-founded the conciliator or arbitrator to whom the decision relates shall be replaced in accordance with the provisions of Section 2 of Chapter III or Section 2 of Chapter IV.

CHAPTER VI
COST OF PROCEEDINGS

Article 59

The charges payable by the parties for the use of the facilities of the Centre shall be determined by the Secretary-General in accordance with the regulations adopted by the Administrative Council.

Article 60

(1) Each Commission and each Tribunal shall determine the fees and expenses of its members within limits established from time to time by the Administrative Council and after consultation with the Secretary-General.

(2) Nothing in paragraph (1) of this Article shall preclude the parties from agreeing in advance with the Commission or Tribunal concerned upon the fees and expenses of its members.

Article 61

(1) In the case of conciliation proceedings the fees and expenses of members of the Commission as well as the charges for the use of the facilities of the Centre, shall be borne equally by the parties. Each party shall bear any other expenses it incurs in connection with the proceedings.

(2) In the case of arbitration proceedings the Tribunal shall, except as the parties otherwise agree, assess the expenses incurred by the parties in connection with the proceedings, and shall decide
how and by whom those expenses, the fees and expenses of the members of the Tribunal and the charges for the use of the facilities of the Centre shall be paid. Such decision shall form part of the award.

CHAPTER VII
PLACE OF PROCEEDINGS

Article 62

Conciliation and arbitration proceedings shall be held at the seat of the Centre except as hereinafter provided.

Article 63

Conciliation and arbitration proceedings may be held, if the parties so agree,

(a) at the seat of the Permanent Court of Arbitration or of any other appropriate institution, whether private or public, with which the Centre may make arrangements for that purpose; or

(b) at any other place approved by the Commission or Tribunal after consultation with the Secretary-General.

CHAPTER VIII
DISPUTES BETWEEN CONTRACTING STATES

Article 64

Any dispute arising between Contracting States concerning the interpretation or application of this Convention which is not settled by negotiation shall be referred to the International Court of Justice by the application of any party to such dispute, unless the States concerned agree to another method of settlement.
CHAPTER IX
AMENDMENT

Article 65

Any Contracting State may propose amendment of this Convention. The text of a proposed amendment shall be communicated to the Secretary-General not less than 90 days prior to the meeting of the Administrative Council at which such amendment is to be considered and shall forthwith be transmitted by him to all the members of the Administrative Council.

Article 66

(1) If the Administrative Council shall so decide by a majority of two-thirds of its members, the proposed amendment shall be circulated to all Contracting States for ratification, acceptance or approval. Each amendment shall enter into force 30 days after dispatch by the depositary of this Convention of a notification to Contracting States that all Contracting States have ratified, accepted or approved the amendment.

(2) No amendment shall affect the rights and obligations under this Convention of any Contracting State or of any of its constituent subdivisions or agencies, or of any national of such State arising out of consent to the jurisdiction of the Centre given before the date of entry into force of the amendment.

CHAPTER X
FINAL PROVISIONS

Article 67

This Convention shall be open for signature on behalf of States members of the Bank. It shall also be open for signature on behalf of any other State which is a party to the Statute of the International Court of Justice and which the Administrative Council, by a vote of two-thirds of its members, shall have invited to sign the Convention.
Article 68

(1) This Convention shall be subject to ratification, acceptance or approval by the signatory States in accordance with their respective constitutional procedures.

(2) This Convention shall enter into force 30 days after the date of deposit of the twentieth instrument of ratification, acceptance or approval. It shall enter into force for each State which subsequently deposits its instrument of ratification, acceptance or approval 30 days after the date of such deposit.

Article 69

Each Contracting State shall take such legislative or other measures as may be necessary for making the provisions of this Convention effective in its territories.

Article 70

This Convention shall apply to all territories for whose international relations a Contracting State is responsible, except those which are excluded by such State by written notice to the depositary of this Convention either at the time of ratification, acceptance or approval or subsequently.

Article 71

Any Contracting State may denounce this Convention by written notice to the depositary of this Convention. The denunciation shall take effect six months after receipt of such notice.

Article 72

Notice by a Contracting State pursuant to Articles 70 or 71 shall not affect the rights or obligations under this Convention of that State or of any of its constituent subdivisions or agencies or of any national of that State arising out of consent to the jurisdiction of the Centre given by one of them before such notice was received by the depositary.
Article 73

Instruments of ratification, acceptance or approval of this Convention and of amendments thereto shall be deposited with the Bank which shall act as the depositary of this Convention. The depositary shall transmit certified copies of this Convention to States members of the Bank and to any other State invited to sign the Convention.

Article 74

The depositary shall register this Convention with the Secretariat of the United Nations in accordance with Article 102 of the Charter of the United Nations and the Regulations thereunder adopted by the General Assembly.

Article 75

The depositary shall notify all signatory States of the following:

(a) signatures in accordance with Article 67;
(b) deposits of instruments of ratification, acceptance and approval in accordance with Article 73;
(c) the date on which this Convention enters into force in accordance with Article 68;
(d) exclusions from territorial application pursuant to Article 70;
(e) the date on which any amendment of this Convention enters into force in accordance with Article 66; and
(f) denunciations in accordance with Article 71.

DONE at Washington, in the English, French and Spanish languages, all three texts being equally authentic, in a single copy which shall remain deposited in the archives of the International Bank for Reconstruction and Development, which has indicated by its signature below its agreement to fulfil the functions with which it is charged under this Convention.

1. Resolution No. 214, adopted by the Board of Governors of the International Bank for Reconstruction and Development on September 10, 1964, provides as follows:

"RESOLVED:

(a) The report of the Executive Directors on "Settlement of Investment Disputes," dated August 6, 1964, is hereby approved.

(b) The Executive Directors are requested to formulate a convention establishing facilities and procedures which would be available on a voluntary basis for the settlement of investment disputes between contracting States and Nationals of other contracting States through conciliation and arbitration.

(c) In formulating such a convention, the Executive Directors shall take into account the views of member governments and shall keep in mind the desirability of arriving at a text which could be accepted by the largest possible number of governments.

(d) The Executive Directors shall submit the text of such a convention to member governments with such recommendations as they shall deem appropriate."

2. The Executive Directors of the Bank, acting pursuant to the foregoing Resolution, have formulated a Convention on the Settlement of Investment Disputes between States and Nationals of Other States and, on March 18, 1965, approved the submission of the text of the Convention, as attached hereto, to member governments of the Bank. This action by the Executive Directors does not, of course, imply that the governments represented by the individual Executive Directors are committed to take action on the Convention.

3. The action by the Executive Directors was preceded by extensive preparatory work, details of which are given in paragraphs 6-8 below. The Executive Directors are satisfied that the Convention in the form attached hereto represents a broad consensus of the views of those governments which accept the principle of establishing by intergovernmental agreement facilities and procedures for the settlement of investment disputes which States and foreign investors wish to submit to conciliation or arbitration. They are also satisfied that the Convention constitutes a suitable framework for such facilities
and procedures. Accordingly, the text of the Convention is submitted to member governments for consideration with a view to signature and ratification, acceptance or approval.

4. The Executive Directors invite attention to the provision of Article 68(2) pursuant to which the Convention will enter into force as between the Contracting States 30 days after deposit with the Bank, the depositary of the Convention, of the twentieth instrument of ratification, acceptance or approval.

5. The attached text of the Convention in the English, French and Spanish languages has been deposited in the archives of the Bank, as depositary, and is open for signature.

6. The question of the desirability and practicability of establishing institutional facilities, sponsored by the Bank, for the settlement through conciliation and arbitration of investment disputes between States and foreign investors was first placed before the Board of Governors of the Bank at its Seventeenth Annual Meeting, held in Washington, D.C. in September 1962. At that Meeting the Board of Governors, by Resolution No. 174, adopted on September 18, 1962, requested the Executive Directors to study the question.

7. After a series of informal discussions on the basis of working papers prepared by the staff of the Bank, the Executive Directors decided that the Bank should convene consultative meetings of legal experts designated by member governments to consider the subject in greater detail. The consultative meetings were held on a regional basis in Addis Ababa (December 16-20, 1963), Santiago de Chile (February 3-7, 1964), Geneva (February 17-21, 1964) and Bangkok (April 27-May 1, 1964), with the administrative assistance of the United Nations Economic Commissions and the European Office of the United Nations, and took as the basis for discussion a Preliminary Draft of a Convention on Settlement of Investment Disputes between States and Nationals of Other States prepared by the staff of the Bank in the light of the discussions of the Executive Directors and the views of governments. The meetings were attended by legal experts from 86 countries.

8. In the light of the preparatory work and of the views expressed at the consultative meetings, the Executive Directors reported to the Board of Governors at its Nineteenth Annual Meeting in
Tokyo, in September 1964, that it would be desirable to establish
the institutional facilities envisaged, and to do so within the
framework of an intergovernmental agreement. The Board of
Governors adopted the Resolution set forth in paragraph 1 of
this Report, whereupon the Executive Directors undertook the
formulation of the present Convention. With a view to arriving
at a text which could be accepted by the largest possible
number of governments, the Bank invited its members to
designate representatives to a Legal Committee which would
assist the Executive Directors in their task. This Committee
met in Washington from November 23 through December 11,
1964, and the Executive Directors gratefully acknowledge the
valuable advice they received from the representatives of the
61 member countries who served on the Committee.

9. In submitting the attached Convention to governments, the
Executive Directors are prompted by the desire to strengthen
the partnership between countries in the cause of economic
development. The creation of an institution designed to
facilitate the settlement of disputes between States and
foreign investors can be a major step toward promoting an
atmosphere of mutual confidence and thus stimulating a larger
flow of private international capital into those countries which
wish to attract it.

10. The Executive Directors recognize that investment disputes
are as a rule settled through administrative, judicial or arbitral
procedures available under the laws of the country in which
the investment concerned is made. However, experience shows
that disputes may arise which the parties wish to settle by
other methods; and investment agreements entered into in
recent years show that both States and investors frequently
consider that it is in their mutual interest to agree to resort to
international methods of settlement.

11. The present Convention would offer international methods
of settlement designed to take account of the special
characteristics of the disputes covered, as well as of the
parties to whom it would apply. It would provide facilities for
conciliation and arbitration by specially qualified persons of
independent judgment carried out according to rules known
and accepted in advance by the parties concerned. In particular,
it would ensure that once a government or investor had given
consent to conciliation or arbitration under the auspices of the Centre, such consent could not be unilaterally withdrawn.

12. The Executive Directors believe that private capital will continue to flow to countries offering a favorable climate for attractive and sound investments, even if such countries did not become parties to the Convention or, having joined, did not make use of the facilities of the Centre. On the other hand, adherence to the Convention by a country would provide additional inducement and stimulate a larger flow of private international investment into its territories, which is the primary purpose of the Convention.

13. While the broad objective of the Convention is to encourage a larger flow of private international investment, the provisions of the Convention maintain a careful balance between the interests of investors and those of host States. Moreover, the Convention permits the institution of proceedings by host States as well as by investors and the Executive Directors have constantly had in mind that the provisions of the Convention should be equally adapted to the requirements of both cases.

14. The provisions of the attached Convention are for the most part self-explanatory. Brief comment on a few principal features may, however, be useful to member governments in their consideration of the Convention.

IV

THE INTERNATIONAL CENTRE FOR SETTLEMENT OF INVESTMENT DISPUTES

General

15. The Convention establishes the International Centre for Settlement of Investment Disputes as an autonomous international institution (Articles 18–24). The purpose of the Centre is “to provide facilities for conciliation and arbitration of investment disputes * * *” (Article 1(2)). The Centre will not itself engage in conciliation or arbitration activities. This will be the task of Conciliation Commissions and Arbitral Tribunals constituted in accordance with the provisions of the Convention.

16. As sponsor of the establishment of the institution the Bank will provide the Centre with premises for its seat (Article 2) and, pursuant to arrangements between the two institutions, with other administrative facilities and services (Article 6(d)).
17. With respect to the financing of the Centre (Article 17), the Executive Directors have decided that the Bank should be prepared to provide the Centre with office accommodation free of charge as long as the Centre has its seat at the Bank’s headquarters and to underwrite, within reasonable limits, the basic overhead expenditure of the Centre for a period of years to be determined after the Centre is established.

18. Simplicity and economy consistent with the efficient discharge of the functions of the Centre characterize its structure. The organs of the Centre are the Administrative Council (Articles 4-8) and the Secretariat (Article 9-11). The Administrative Council will be composed of one representative of each Contracting State, serving without remuneration from the Centre. Each member of the Council casts one vote and matters before the Council are decided by a majority of the votes cast unless a different majority is required by the Convention. The President of the Bank will serve ex officio as the Council’s Chairman but will have no vote. The Secretariat will consist of a Secretary-General, one or more Deputy Secretaries-General and staff. In the interest of flexibility the Convention provides for the possibility of there being more than one Deputy Secretary-General, but the Executive Directors do not now foresee a need for more than one or two full time high officials of the Centre. Article 10, which requires that the Secretary-General and any Deputy Secretary-General be elected by the Administrative Council by a majority of two-thirds of its members, on the nomination of the Chairman, limits their terms of office to a period not exceeding six years and permits their re-election. The Executive Directors believe that the initial election, which will take place shortly after the Convention will have come into force, should be for a short term so as not to deprive the States which ratify the Convention after its entry into force of the possibility of participating in the selection of the high officials of the Centre. Article 10 also limits the extent to which these officials may engage in activities other than their official functions.

**Functions of the Administrative Council**

19. The principal functions of the Administrative Council are the election of the Secretary-General and any Deputy Secretary-General, the adoption of the budget of the Centre and the adoption of administrative and financial regulations, rules governing the institution of proceedings and rules of procedure for conciliation and arbitration proceedings. Action on all these matters requires a majority of two-thirds of the members of the Council.
Functions of the Secretary-General

20. The Convention requires the Secretary-General to perform a variety of administrative functions as legal representative, registrar and principal officer of the Centre (Articles 7(1), 11, 16(3), 25(4), 28, 36, 49(1), 50(1), 51(1), 52(1), 54(2), 59, 60(1), 63(b) and 65). In addition, the Secretary-General is given the power to refuse registration of a request for conciliation proceedings or arbitration proceedings, and thereby to prevent the institution of such proceedings, if on the basis of the information furnished by the applicant he finds that the dispute is manifestly outside the jurisdiction of the Centre (Article 28(3) and 36(3)). The Secretary-General is given this limited power to “screen” requests for conciliation or arbitration proceedings with a view to avoiding the embarrassment to a party (particularly a State) which might result from the institution of proceedings against it in a dispute which it had not consented to submit to the Centre, as well as the possibility that the machinery of the Centre would be set in motion in cases which for other reasons were obviously outside the jurisdiction of the Centre e.g., because either the applicant or the other party was not eligible to be a party in proceedings under the Convention.

The Panels

21. Article 3 requires the Centre to maintain a Panel of Conciliators and a Panel of Arbitrators, while Articles 12-16 outline the manner and terms of designation of Panel members. In particular, Article 14(1) seeks to ensure that Panel members will possess a high degree of competence and be capable of exercising independent judgment. In keeping with the essentially flexible character of the proceedings, the Convention permits the parties to appoint conciliators and arbitrators from outside the Panels but requires (Articles 31(2) and 40(2)) that such appointees possess the qualities stated in Article 14(1). The Chairman, when called upon to appoint a conciliator or arbitrator pursuant to Article 30 or 38, is restricted in his choice to Panel members.

JURISDICTION OF THE CENTRE

22. The term “jurisdiction of the Centre” is used in the Convention as a convenient expression to mean the limits within which
the provisions of the Convention will apply and the facilities of the Centre will be available for conciliation and arbitration proceedings. The jurisdiction of the Centre is dealt with in Chapter II of the Convention (Articles 25-27).

Consent

23. Consent of the parties is the cornerstone of the jurisdiction of the Centre. Consent to jurisdiction must be in writing and once given cannot be withdrawn unilaterally (Article 25(1)).

24. Consent of the parties must exist when the Centre is seized (Articles 28(3) and 36(3)) but the Convention does not otherwise specify the time at which consent should be given. Consent may be given, for example, in a clause included in an investment agreement, providing for the submission to the Centre of future disputes arising out of that agreement, or in a compromis regarding a dispute which has already arisen. Nor does the Convention require that the consent of both parties be expressed in a single instrument. Thus, a host State might in its investment promotion legislation offer to submit disputes arising out of certain classes of investments to the jurisdiction of the Centre, and the investor might give his consent by accepting the offer in writing.

25. While consent of the parties is an essential prerequisite for the jurisdiction of the Centre, consent alone will not suffice to bring a dispute within its jurisdiction. In keeping with the purpose of the Convention, the jurisdiction of the Centre is further limited by reference to the nature of the dispute and the parties thereto.

Nature of the Dispute

26. Article 25(1) requires that the dispute must be a "legal dispute arising directly out of an investment." The expression "legal dispute" has been used to make clear that while conflicts of rights are within the jurisdiction of the Centre, mere conflicts of interests are not. The dispute must concern the existence or scope of a legal right or obligation, or the nature or extent of the reparation to be made for breach of a legal obligation.

27. No attempt was made to define the term "investment" given the essential requirement of consent by the parties, and the mechanism through which Contracting States can make known in advance, if they so desire, the classes of disputes which they would or would not consider submitting to the Centre (Article 25(4)).
Parties to the Dispute

28. For a dispute to be within the jurisdiction of the Centre one of the parties must be a Contracting State (or a constituent subdivision or agency of a Contracting State) and the other party must be a “national of another Contracting State.” The latter term as defined in paragraph (2) of Article 25 covers both natural persons and juridical persons.

29. It should be noted that under clause (a) of Article 25(2) a natural person who was a national of the State party to the dispute would not be eligible to be a party in proceedings under the auspices of the Centre, even if at the same time he had the nationality of another State. This ineligibility is absolute and cannot be cured even if the State party to the dispute had given its consent.

30. Clause (b) of Article 25(2), which deals with juridical persons, is more flexible. A juridical person which had the nationality of the State party to the dispute would be eligible to be a party to proceedings under the auspices of the Centre if that State had agreed to treat it as a national of another Contracting State because of foreign control.

Notifications by Contracting States

31. While no conciliation or arbitration proceedings could be brought against a Contracting State without its consent and while no Contracting State is under any obligation to give its consent to such proceedings, it was nevertheless felt that adherence to the Convention might be interpreted as holding out an expectation that Contracting States would give favorable consideration to requests by investors for the submission of a dispute to the Centre. It was pointed out in that connection that there might be classes of investment disputes which governments would consider unsuitable for submission to the Centre or which, under their own law, they were not permitted to submit to the Centre. In order to avoid any risk of misunderstanding on this score, Article 25(4) expressly permits Contracting States to make known to the Centre in advance, if they so desire, the classes of disputes which they would or would not consider submitting to the Centre. The provision makes clear that a statement by a Contracting State that it would consider submitting a certain class of dispute to the Centre would serve for purposes of information only and would not constitute the consent required to give the Centre jurisdiction. Of course, a statement
excluding certain classes of disputes from consideration would not constitute a reservation to the Convention.

Arbitration as Exclusive Remedy

32. It may be presumed that when a State and an investor agree to have recourse to arbitration, and do not reserve the right to have recourse to other remedies or require the prior exhaustion of other remedies, the intention of the parties is to have recourse to arbitration to the exclusion of any other remedy. This rule of interpretation is embodied in the first sentence of Article 26. In order to make clear that it was not intended thereby to modify the rules of international law regarding the exhaustion of local remedies, the second sentence explicitly recognizes the right of a State to require the prior exhaustion of local remedies.

Claims by the Investor’s State

33. When a host State consents to the submission of a dispute with an investor to the Centre, thereby giving the investor direct access to an international jurisdiction, the investor should not be in a position to ask his State to espouse his case and that State should not be permitted to do so. Accordingly, Article 27 expressly prohibits a Contracting State from giving diplomatic protection, or bringing an international claim, in respect of a dispute which one of its nationals and another Contracting State have consented to submit, or have submitted, to arbitration under the Convention, unless the State party to the dispute fails to honor the award rendered in that dispute.

VI

PROCEEDINGS UNDER THE CONVENTION

Institution of Proceedings

34. Proceedings are instituted by means of a request addressed to the Secretary-General (Articles 28 and 36). After registration of the request the Conciliation Commission or Arbitral Tribunal, as the case may be, will be constituted. Reference is made to paragraph 20 above on the power of the Secretary-General to refuse registration.
Constitution of Conciliation Commissions
and Arbitral Tribunals

35. Although the Convention leaves the parties a large measure of freedom as regards the constitution of Commissions and Tribunals, it assures that a lack of agreement between the parties on these matters or the unwillingness of a party to cooperate will not frustrate proceedings (Articles 29-30 and 37-38, respectively).

36. Mention has already been made of the fact that the parties are free to appoint conciliators and arbitrators from outside the Panels (see paragraph 21 above). While the Convention does not restrict the appointment of conciliators with reference to nationality, Article 39 lays down the rule that the majority of the members of an Arbitral Tribunal should not be nationals of the State party to the dispute or of the State whose national is a party to the dispute. This rule is likely to have the effect of excluding persons having these nationalities from serving on a Tribunal composed of not more than three members. However, the rule will not apply where each and every arbitrator on the Tribunal has been appointed by agreement of the parties.

Conciliation Proceedings; Powers and Functions of Arbitral Tribunals

37. In general, the provisions of Articles 32-35 dealing with conciliation proceedings and of Articles 41-49, dealing with the powers and functions of Arbitral Tribunals and awards rendered by such Tribunals, are self-explanatory. The differences between the two sets of provisions reflect the basic distinction between the process of conciliation which seeks to bring the parties to agreement and that of arbitration which aims at a binding determination of the dispute by the Tribunal.

38. Article 41 reiterates the well-established principle that international tribunals are to be the judges of their own competence and Article 32 applies the same principle to Conciliation Commissions. It is to be noted in this connection that the power of the Secretary-General to refuse registration of a request for conciliation or arbitration (see paragraph 20 above) is so narrowly defined as not to encroach on the prerogative of Commissions and Tribunals to determine their own competence and, on the other hand, that registration of a request by the Secretary-General does not, of course, preclude a Commission or Tribunal from finding that the dispute is outside the jurisdiction of the Centre.
39. In keeping with the consensual character of proceedings under the Convention, the parties to conciliation or arbitration proceedings may agree on the rules of procedure which will apply in those proceedings. However, if or to the extent that they have not so agreed the Conciliation Rules and Arbitration Rules adopted by the Administrative Council will apply (Articles 33 and 44).

40. Under the Convention an Arbitral Tribunal is required to apply the law agreed by the parties. Failing such agreement, the Tribunal must apply the law of the State party to the dispute (unless that law calls for the application of some other law), as well as such rules of international law as may be applicable. The term “international law” as used in this context should be understood in the sense given to it by Article 38(1) of the Statute of the International Court of Justice, allowance being made for the fact that Article 38 was designed to apply to inter-State disputes.1

Recognition and Enforcement of Arbitral Awards

41. Article 53 declares that the parties are bound by the award and that it shall not be subject to appeal or to any other remedy except those provided for in the Convention. The remedies provided for are revision (Article 51) and annulment (Article 52). In addition, a party may ask a Tribunal which omitted to decide any question submitted to it, to supplement its award (Article 49(2)) and may request interpretation of the award (Article 50).

42. Subject to any stay of enforcement in connection with any of the above proceedings in accordance with the provisions of the Convention, the parties are obliged to abide by and comply with the award and Article 54 requires every Contracting State to recognize the award as binding and to enforce the pecuniary obligations imposed by the award as if it were a final decision of a domestic court. Because of the different legal techniques

---

1 Article 38(1) of the Statute of the International Court of Justice reads as follows:

1. The Court, whose function it is to decide in accordance with international law such disputes as are submitted to it, shall apply:
   a. international conventions, whether general or particular, establishing rules expressly recognized by the contesting states;
   b. international custom, as evidence of a general practice accepted as law;
   c. the general principles of law recognized by civilized nations;
   d. subject to the provisions of Article 59, judicial decisions and the teachings of the most highly qualified publicists of the various nations, as subsidiary means for the determination of rules of law.”
followed in common law and civil law jurisdictions and the different judicial systems found in unitary and federal or other non-unitary States, Article 54 does not prescribe any particular method to be followed in its domestic implementation, but requires each Contracting State to meet the requirements of the Article in accordance with its own legal system.

43. The doctrine of sovereign immunity may prevent the forced execution in a State of judgments obtained against foreign States or against the State in which execution is sought. Article 54 require Contracting States to equate an award rendered pursuant to the Convention with a final judgment of its own courts. It does not require them to go beyond that and to undertake forced execution of awards rendered pursuant to the Convention in cases in which final judgments could not be executed. In order to leave no doubt on this point Article 55 provides that nothing in Article 54 shall be construed as derogating from the law in force in any Contracting State relating to immunity of that State or of any foreign State from execution.

VII

PLACE OF PROCEEDINGS

44. In dealing with proceedings away from the Centre, Article 63 provides that proceedings may be held, if the parties so agree, at the seat of the Permanent Court of Arbitration or of any other appropriate institution with which the Centre may enter into arrangements for that purpose. These arrangements are likely to vary with the type of institution and to range from merely making premises available for the proceedings to the provision of complete secretariat services.

VIII

DISPUTES BETWEEN CONTRACTING STATES

45. Article 64 confers on the International Court of Justice jurisdiction over disputes between Contracting States regarding the interpretation or application of the Convention
which are not settled by negotiation and which the parties do not agree to settle by other methods. While the provision is couched in general terms, it must be read in the context of the Convention as a whole. Specifically, the provision does not confer jurisdiction on the Court to review the decision of a Conciliation Commission or Arbitral Tribunal as to its competence with respect to any dispute before it. Nor does it empower a State to institute proceedings before the Court in respect of a dispute which one of its nationals and another Contracting State have consented to submit or have submitted to arbitration, since such proceedings would contravene the provisions of Article 27, unless the other Contracting State had failed to abide by and comply with the award rendered in that dispute.

IX
ENTRY INTO FORCE

46. The Convention is open for signature on behalf of States members of the Bank. It will also be open for signature on behalf of any other State which is a party to the Statute of the International Court of Justice and which the Administrative Council, by a vote of two-thirds of its members, shall have invited to sign. No time limit has been prescribed for signature. Signature is required both of States joining before the Convention enters into force and those joining thereafter (Article 67). The Convention is subject to ratification, acceptance or approval by the signatory States in accordance with their constitutional procedures (Article 68). As already stated, the Convention will enter into force upon the deposit of the twentieth instrument of ratification, acceptance or approval.

INTRODUCTORY NOTE

The ICSID Administrative and Financial Regulations were adopted by the Administrative Council of the Centre pursuant to Article 6(1)(a) of the ICSID Convention.

These Regulations concern the functioning of ICSID as an international institution. They also contain provisions that apply generally in proceedings and are complementary to the Convention and the ICSID Institution, Conciliation and Arbitration Rules, adopted pursuant to Article 6(1)(b) and (c) of the Convention.

CHAPTER I

PROCEDURES OF THE ADMINISTRATIVE COUNCIL

Regulation 1
Date and Place of the Annual Meeting

The Annual Meeting of the Administrative Council shall take place in conjunction with the Annual Meeting of the Board of Governors of the International Bank for Reconstruction and Development ("Bank"), unless the Council specifies otherwise.

Regulation 2
Notice of Meetings

(1) The Secretary-General shall give each member notice of the time and place of meetings of the Administrative Council by any rapid means of communication. This notice shall be dispatched not less than 42 days prior to the date set for such meeting, except that in urgent cases notice shall be sufficient if dispatched not less than 10 days prior to the date of the meeting.

(2) Any meeting of the Administrative Council at which no quorum is present may be adjourned by a majority of the members present and notice of the adjourned meeting need not be given.
Regulation 3
Agenda for Meetings

(1) The Secretary-General shall prepare an agenda for each meeting of the Administrative Council under the direction of the Chairman of the Administrative Council (“Chair”) and shall transmit the agenda to each member with notice of the meeting.

(2) Additional subjects may be placed on the agenda by any member by giving notice thereof to the Secretary-General not less than 7 days prior to the date set for such meeting.

(3) In special circumstances the Chair, or the Secretary-General after consulting with the Chair, may at any time place additional subjects on the agenda for a meeting of the Administrative Council.

(4) The Secretary-General shall promptly give each member notice of additional subjects on the agenda.

(5) The Administrative Council may authorize any subject to be placed on the agenda at any time even though the notice required by this Regulation has not been given.

Regulation 4
Presiding Officer

(1) The Chair shall be the Presiding Officer at meetings of the Administrative Council.

(2) The Chair shall designate a Vice President of the Bank to preside over all or any part of a meeting if the Chair is unable to preside.

Regulation 5
Secretary of the Council

(1) The Secretary-General shall serve as Secretary of the Administrative Council.

(2) Except as otherwise directed by the Administrative Council, the Secretary-General, in consultation with the Chair, shall make all arrangements for meetings of the Council and may coordinate with appropriate officers of the Bank for this purpose.

(3) The Secretary-General shall present the annual report on the operation of the Centre to each Annual Meeting of the Administrative Council for its approval pursuant to Article 6(1)(g)
(4) The Secretary-General shall publish the annual report and a summary record of the proceedings of the Administrative Council.

Regulation 6
Attendance at Meetings

(1) The Secretary-General and the Deputy Secretaries-General may attend all meetings of the Administrative Council.

(2) The Secretary-General, in consultation with the Chair, may invite observers to attend any meeting of the Administrative Council.

Regulation 7
Voting

(1) Except as otherwise provided in the Convention, all decisions of the Administrative Council shall be taken by a majority of the votes cast. The Presiding Officer may ascertain the sense of the meeting in lieu of a formal vote but shall require a formal vote upon the request of any member. The written text of the motion shall be distributed to the members if a formal vote is required.

(2) No member of the Administrative Council may vote by proxy, but a member may designate a temporary alternate to vote at any meeting at which the regular alternate is not present.

(3) Between Annual Meetings, the Chair may call a special meeting or request that the Administrative Council vote by correspondence on a motion. The Secretary-General shall transmit the request for a vote by correspondence to each member with the text of the motion to be voted upon. Votes shall be cast within 45 days after such transmission, unless a longer period is approved by the Chair. Upon expiry of the established period, the Secretary-General shall record the results and notify all members of the outcome. The motion shall be considered lost if the replies received do not include those of a majority of the members.

(4) If all Contracting States are not represented at a meeting of the Administrative Council and the votes necessary to adopt a proposed decision by a majority of two-thirds of the members of the Council are not obtained, the Council, with the concurrence of the Convention on the Settlement of Investment Disputes between States and Nationals of Other States ("Convention").
of the Chair, may decide that the votes of those members of the Council represented at the meeting shall be registered and the votes of the absent members shall be solicited in accordance with paragraph (3). Votes registered at the meeting may be changed by the member before the expiry of the voting period established pursuant to paragraph (3).

CHAPTER II
THE SECRETARIAT

Regulation 8
Election of the Secretary-General and Deputy Secretaries-General

In proposing to the Administrative Council one or more candidates for the office of Secretary-General or Deputy Secretary-General, the Chair shall also make proposals with respect to their term and conditions of service.

Regulation 9
Acting Secretary-General

(1) If there is more than one Deputy Secretary-General, the Chair may propose to the Administrative Council the order in which the Deputies shall act as Secretary-General pursuant to Article 10(3) of the Convention. In the absence of such a decision by the Administrative Council, the Secretary-General shall determine the order in which the Deputies shall act as Secretary-General.

(2) The Secretary-General shall designate the member of the staff of the Centre who shall act as Secretary-General during the absence or inability to act of the Secretary-General and the Deputy Secretaries-General. If there should be a simultaneous vacancy in the offices of Secretary-General and Deputy Secretary-General, the Chair shall designate the member of the staff who shall act as the Secretary-General.

Regulation 10
Appointment of Staff Members

The Secretary-General shall appoint the staff of the Centre. Appointments may be made directly or by secondment.
Regulation 11

(1) The conditions of employment of the staff of the Centre shall be the same as those of the staff of the Bank.

(2) The Secretary-General shall make arrangements with the Bank, within the framework of the general administrative arrangements approved by the Administrative Council pursuant to Article 6(1)(d) of the Convention, for the participation of members of the Secretariat in the Staff Retirement Plan of the Bank and in other facilities and contractual arrangements established for the benefit of the staff of the Bank.

Regulation 12
Authority of the Secretary-General

(1) Deputy Secretaries-General and the staff of the Centre shall act solely under the direction of the Secretary-General.

Regulation 13
Incompatibility of Functions

The Secretary-General, the Deputy Secretaries-General and the staff of the Centre may not serve on the Panels of Conciliators or of Arbitrators, as members of any Commission, Tribunal or Committee, or as a mediator.

CHAPTER III
FINANCIAL PROVISIONS

Regulation 14
Fees, Allowances and Charges

(1) Each member of a Commission, Tribunal or Committee shall receive:
   (a) a fee for each hour of work performed in connection with the proceeding;
(b) reimbursement of expenses reasonably incurred for the sole purpose of the proceeding when not travelling to attend a hearing, meeting or session; and

(c) when required to travel to attend a hearing, meeting or session held away from the member’s place of residence:
   (i) reimbursement of the cost of ground transportation between the points of departure and arrival;
   (ii) reimbursement of the cost of air and ground transportation to and from the city in which the hearing, meeting or session is held; and
   (iii) a per diem allowance for each day spent away from the member’s place of residence.

(2) The Secretary-General, with the approval of the Chair, shall determine and publish the amount of the fee and the per diem allowance referred to in paragraph (1)(a) and (c). Any request by a member for a higher amount shall be made in writing through the Secretary-General, and not directly to the parties. Such a request must be made before the constitution of the Commission, Tribunal or Committee and shall justify the increase requested.

(3) The Secretary-General shall determine and publish an annual administrative charge payable by the parties to the Centre.

(4) All payments, including reimbursement of expenses, shall be made by the Centre to:
   (a) members of Commissions, Tribunals and Committees, and any assistants approved by the parties;
   (b) witnesses and experts called by a Commission, Tribunal or Committee who have not been presented by a party;
   (c) service providers that the Centre engages for a proceeding; and
   (d) the host of any hearing, meeting or session held outside an ICSID facility.

(5) The Centre shall not be required to provide any service in connection with a proceeding or to pay the fees, allowances or reimbursements of the members of any Commission, Tribunal or Committee, unless the parties have made sufficient payments to defray the costs of the proceeding.
Regulation 15
Payments to the Centre

(1) To enable the Centre to pay the costs referred to in Regulation 14, the parties shall make payments to the Centre as follows:

(a) upon registration of a Request for arbitration or conciliation, the Secretary-General shall request the claimant to make a payment to defray the estimated costs of the proceeding through the first session of the Commission or Tribunal, which shall be considered partial payment by the claimant of the payment referred to in paragraph (1)(b);

(b) upon constitution of a Commission, Tribunal or Committee, the Secretary-General shall request the parties to make a payment to defray the estimated costs of the subsequent phase of the proceeding; and

(c) the Secretary-General may request that the parties make supplementary payments at any time if required to defray the estimated costs of the proceeding.

(2) In conciliation proceedings, each party shall pay one half of the payments referred to in paragraph (1)(b) and (c). In arbitration proceedings, each party shall pay one half of the payments referred to in paragraph (1)(b) and (c), unless a different division is agreed to by the parties or ordered by the Tribunal. Payment of these sums is without prejudice to the Tribunal’s final decision on costs pursuant to Article 61(2) of the Convention.

(3) The Centre shall provide a statement of the case account to the parties with each request for payment and at any other time upon request of a party.

(4) This Regulation shall apply to requests for a supplementary decision on or rectification of an Award, applications for interpretation or revision of an Award, and requests for resubmission of the dispute.

(5) This Regulation shall apply to applications for annulment of an Award, except that the applicant shall be solely responsible for making the payments requested by the Secretary-General.

Regulation 16
Consequences of Default in Payment

(1) The payments referred to in Regulation 15 shall be payable on the date of the request from the Secretary-General.

(2) The following procedure shall apply in the event of non-payment:
a) if the amounts requested are not paid in full within 30 days after the date of the request, the Secretary-General may notify both parties of the default and give them an opportunity to make the required payment;

b) if any part of the required payment remains outstanding 15 days after the date of the notice in paragraph (2)(a), the Secretary-General may suspend the proceeding until payment is made, after giving notice to the parties and to the Commission, Tribunal or Committee if constituted; and

c) if any proceeding is suspended for non-payment for more than 90 consecutive days, the Secretary-General may discontinue the proceeding, after giving notice to the parties and to the Commission, Tribunal or Committee if constituted.

Regulation 17
Special Services

(1) The Centre may perform any special services related to disputes if the requestor deposits in advance an amount sufficient to defray the charge for such services.

(2) Charges for special services shall normally be based on a schedule of fees published by the Secretary-General.

Regulation 18
Fee for Lodging Requests

The party or parties (if a request is filed jointly) wishing to institute an arbitration or conciliation proceeding, or requesting a supplementary decision, rectification, interpretation, revision or annulment of an Award, or resubmission of a dispute, shall pay the Centre a non-refundable lodging fee determined by the Secretary-General and published in the schedule of fees.

Regulation 19
The Budget

(1) The fiscal year of the Centre shall run from July 1 of each year to June 30 of the following year.

(2) Before the end of each fiscal year, the Secretary-General shall prepare a budget indicating expected expenditures of the Centre (excepting those to be incurred on a reimbursable basis) and expected revenues (excepting reimbursements) for the following
fiscal year. The budget shall be submitted for adoption by the Administrative Council at its next Annual Meeting in accordance with Article 6(1)(f) of the Convention.

(3) If the Secretary-General determines during the fiscal year that the expected expenditures will exceed those authorized in the budget, or wishes to incur expenditures not previously authorized, the Secretary-General shall prepare a supplementary budget in consultation with the Chair and submit it to the Administrative Council for adoption, in accordance with Regulation 7.

(4) The adoption of a budget constitutes authority for the Secretary-General to make expenditures and incur obligations for the purposes and within the limits specified in the budget. Unless otherwise provided by the Administrative Council, the Secretary-General may exceed the amount specified for any given budget item, provided that the total amount of the budget is not exceeded.

(5) Pending the adoption of the budget by the Administrative Council, the Secretary-General may incur expenditures for the purposes and within the limits specified in the budget submitted, up to one quarter of the amount authorized to be expended in the previous fiscal year.

Regulation 20
Assessment of Contributions

(1) Any excess of expected expenditures over expected revenues shall be assessed on the Contracting States. Each State that is not a member of the Bank shall be assessed a fraction of the total assessment equal to the fraction of the budget of the International Court of Justice that it would have to bear if that budget were divided only among the Contracting States in proportion to the then current scale of contributions applicable to the budget of the Court; the balance of the total assessment shall be divided among the Contracting States that are members of the Bank in proportion to their respective subscription to the capital stock of the Bank. The assessments shall be calculated by the Secretary-General immediately after the adoption of the annual budget, on the basis of the then current membership of the Centre, and shall be promptly communicated to all Contracting States. The assessments shall be payable as soon as they are communicated.

(2) On the adoption of a supplementary budget, the Secretary-General shall immediately calculate supplementary assessments, which shall be payable as soon as they are communicated to the Contracting States.
(3) A State which is party to the Convention during any part of a fiscal year shall be assessed for the entire fiscal year. If a State becomes a party to the Convention after the assessments for a given fiscal year have been calculated, its assessment shall be calculated by the application of the same appropriate factor as was applied in calculating the original assessments, and no recalculation of the assessments of the other Contracting States shall be made.

(4) If, after the close of a fiscal year, it is determined that there is a cash surplus, such surplus shall, unless the Administrative Council decides otherwise, be credited to the Contracting States in proportion to the assessed contributions they had paid for that fiscal year. These credits shall be made with respect to the assessments for the fiscal year commencing two years after the end of the fiscal year to which the surplus pertains.

Regulation 21
Audits

The Secretary-General shall have an audit of the accounts of the Centre made once each year and on the basis of this audit submit a financial statement to the Administrative Council for consideration at the Annual Meeting.

Regulation 22
Administration of Proceedings

The Secretariat of the Centre is the only body authorized to administer proceedings conducted under the Convention.

CHAPTER IV

INTRODUCTORY NOTE

The ICSID Institution Rules were adopted by the Administrative Council of the Centre pursuant to Article 6(1)(b) of the ICSID Convention.

The ICSID Institution Rules apply from the filing of a Request for arbitration or conciliation under the ICSID Convention to the date of registration or refusal to register. If a Request is registered, the ICSID Arbitration or Conciliation Rules apply to the subsequent procedure. The ICSID Institution Rules do not apply to the initiation of post-Award remedy proceedings, or to proceedings pursuant to the ICSID Additional Facility Rules, the ICSID Fact-Finding Rules or the ICSID Mediation Rules.

Rule 1
The Request

(1) Any Contracting State or any national of a Contracting State wishing to institute proceedings under the Convention on the Settlement of Investment Disputes between States and Nationals of Other States ("Convention") shall file a request for arbitration or conciliation together with the required supporting documents ("Request") with the Secretary-General and pay the lodging fee published in the schedule of fees.

The ICSID Conciliation Rules apply from the date of registration of a Request for conciliation until termination of the conciliation.

CHAPTER I
GENERAL PROVISIONS

Rule 1
Application of Rules

These Rules shall apply to any conciliation proceeding conducted under the Convention on the Settlement of Investment Disputes between States and Nationals of Other States ("Convention") in accordance with Article 33 of the Convention.

Rule 2
Party and Party Representative

(1) For the purposes of these Rules, "party" includes all parties acting as claimant or as respondent.

(2) Each party may be represented or assisted by agents, counsel, advocates or other advisors, whose names and proof of authority to act shall be promptly notified by that party to the Secretary-General ("representative(s)").

Rule 3
Method of Filing

(1) A document to be filed in the proceeding shall be filed with the Secretary-General, who shall acknowledge its receipt.

(2) Documents shall be filed electronically. In special circumstances, the Commission may order that documents also be filed in a different format.
Rule 4  
Supporting Documents

(1) Supporting documents shall be filed together with the written statement, request, observations or communication to which they relate.

(2) An extract of a document may be filed as a supporting document if the extract is not misleading. The Commission or a party may require a fuller extract or a complete version of the document.

Rule 5  
Routing of Documents

The Secretary-General shall transmit a document filed in the proceeding to:

(a) the other party, unless the parties communicate directly with each other;
(b) the Commission, unless the parties communicate directly with the Commission on request of the Commission or by agreement of the parties; and
(c) the Chairman of the Administrative Council ("Chair") if applicable.

Rule 6  
Procedural Languages, Translation and Interpretation

(1) The parties may agree to use one or two procedural languages in the proceeding. The parties shall consult with the Commission and the Secretary-General regarding the use of a language that is not an official language of the Centre. If the parties do not agree on the procedural language(s), each party may select one of the official languages of the Centre.

(2) In a proceeding with one procedural language:

(a) documents shall be filed and meetings shall be conducted in that procedural language;
(b) documents in another language shall be accompanied by a translation into that procedural language; and
(c) oral statements in another language shall be interpreted into that procedural language.

(3) In a proceeding with two procedural languages:
(a) documents may be filed and meetings may be conducted in either procedural language, unless the Commission orders that a document be filed in both procedural languages or that a meeting be conducted with interpretation into both procedural languages;

(b) documents in another language shall be accompanied by a translation into either procedural language, unless the Commission orders translation into both procedural languages;

(c) oral statements in another language shall be interpreted into either procedural language, unless the Commission orders interpretation into both procedural languages;

(d) the Commission and the Secretary-General may communicate in either procedural language; and

(e) all orders, decisions, recommendations and the Report shall be rendered in both procedural languages, unless the parties agree otherwise.

(4) Translation of only the relevant part of a supporting document is sufficient, unless the Commission orders a party to provide a fuller or a complete translation. If the translation is disputed, the Commission may order a party to provide a certified translation.

Rule 7
Calculation of Time Limits

Time limits referred to in these Rules shall be calculated from the day after the date on which the procedural step starting the period is taken, based on the time at the seat of the Centre. A time limit shall be satisfied if a procedural step is taken on the relevant date, or on the subsequent business day if the date falls on a Saturday or Sunday.

Rule 8
Costs of the Proceeding

(1) The fees and expenses of the Commission and the administrative charges and direct costs of the Centre incurred in connection with the proceeding shall be borne equally by the parties, in accordance with Article 61(1) of the Convention.

(2) Each party shall bear any other costs it incurs in connection with the proceeding.
Rule 9  
Confidentiality of the Conciliation

All information relating to the conciliation and all documents generated in or obtained during the conciliation shall be confidential, unless:

(a) the parties agree otherwise;
(b) the information is to be published by the Centre pursuant to ICSID Administrative and Financial Regulation 26;
(c) the information or document is independently available; or
(d) disclosure is required by law.

(2) The number of conciliators and the method of their appointment must be determined before the Secretary-General can act on any appointment proposed by a party.

(3) The parties shall endeavor to agree on a Sole Conciliator or any uneven number of conciliators and the method of their appointment. If the parties do not advise the Secretary-

(4) References in these Rules to a Commission or a President of a Commission shall include a Sole Conciliator.

Rule 12

(1) A party shall file a written notice disclosing the name and address of any non-party from which the party, directly or indirectly, has received funds for the conciliation through a donation or grant, or in return for remuneration dependent on the outcome of the conciliation (“third-party funding”). If the non-party providing funding is a juridical person, the notice shall include the names of the persons and entities that own and control that juridical person.

(2) A party shall file the notice referred to in paragraph (1) with the Secretary-General upon registration of the Request for conciliation, or immediately upon concluding a third-party funding arrangement after registration. (2) The Chair shall appoint the President of the Commission after appointing any members who have not yet been appointed.

(3) The Chair shall consult with the parties as far as possible before appointing a conciliator and shall use best efforts to appoint any conciliator(s) within 30 days after receipt of the request to appoint.

Rule 16

(2) Upon receipt of a notification pursuant to paragraph (1), the Secretary-General shall request an acceptance from the appointee and shall transmit to the appointee the information received from the parties relevant to completion of the declaration referred to in paragraph (3)(b).

(3) Within 20 days after receipt of the request for acceptance of an appointment, the appointee shall:

(4) The Secretary-General shall notify the parties of the acceptance of appointment by each conciliator and transmit the signed declaration to them.

(5) The Secretary-General shall notify the parties if a conciliator fails to accept the appointment or provide a signed declaration within the time limit referred to in paragraph (3), and another person shall be appointed as conciliator in accordance with the method followed for the previous appointment.

(6) Each conciliator shall have a continuing obligation promptly to disclose any change of circumstances relevant to the declaration referred to in paragraph (3)(b).

(7) Unless the parties and the conciliator agree otherwise, a conciliator may not act as arbitrator, counsel, expert, judge, mediator, witness or in any other capacity in any proceeding relating to the dispute that is the subject of the conciliation.

(2) The proceeding shall be suspended upon the filing of the proposal until a decision on the proposal has been made, except to the extent that the parties agree to continue the proceeding.

Rule 20
Decision on the Proposal for Disqualification

(1) The decision on a proposal shall be made by the conciliators not subject to the proposal or by the Chair in accordance with Article 58 of the Convention.
(2) For the purposes of Article 58 of the Convention:

(a) if the conciliators not subject to a proposal are unable to decide the proposal for any reason, they shall notify the Secretary-General and they shall be considered equally divided;

(b) if a subsequent proposal is filed while the decision on a prior proposal is pending, both proposals shall be decided by the Chair as if they were a proposal to disqualify a majority of the Commission.

(3) The conciliators not subject to the proposal and the Chair shall use best efforts to decide any proposal within 30 days after the later of the expiry of the time limit referred to in Rule 19(1) (e) or the notice in Rule 20(2)(a).

(3) A vacancy on the Commission shall be filled by the method used to make the original appointment, except that the Chair shall fill the following from the Panel of Conciliators:
(a) a vacancy caused by the resignation of a party-appointed conciliator without the consent of the other members of the Commission; or

(b) a vacancy that has not been filled within 45 days after the notice of vacancy.

INTRODUCTORY NOTE

The ICSID Arbitration Rules were adopted by the Administrative Council of the Centre pursuant to Article 6(1)(c) of the ICSID Convention.

The ICSID Arbitration Rules are supplemented by the ICSID Administrative and Financial Regulations.

The ICSID Arbitration Rules apply from the date of registration of a Request for arbitration until an Award is rendered and to any post-Award remedy proceedings.

CHAPTER I
GENERAL PROVISIONS

Rule 1
Application of Rules

(1) These Rules shall apply to any arbitration proceeding conducted under the Convention on the Settlement of Investment Disputes between States and Nationals of Other States ("Convention") in accordance with Article 44 of the Convention.

(2) The Tribunal shall apply any agreement of the parties on procedural matters to the extent that it does not conflict with the Convention or the ICSID Administrative and Financial Regulations.

Rule 2
Party and Party Representative

(1) For the purposes of these Rules, "party" includes all parties acting as claimant or as respondent.

(2) Each party may be represented or assisted by agents, counsel, advocates or other advisors, whose names and proof of authority to act shall be promptly notified by that party to the Secretary-General ("representative(s)").

Rule 3
General Duties

(1) The Tribunal and the parties shall conduct the proceeding in good faith and in an expeditious and cost-effective manner.
(2) The Tribunal shall treat the parties equally and provide each party with a reasonable opportunity to present its case.

**Rule 4**
**Method of Filing**

(1) A document to be filed in the proceeding shall be filed with the Secretary-General, who shall acknowledge its receipt.

(2) Documents shall be filed electronically. In special circumstances, the Tribunal may order that documents also be filed in a different format.

**Rule 5**
**Supporting Documents**

(1) Supporting documents, including witness statements, expert reports, exhibits and legal authorities, shall be filed together with the request, written submission, observations or communication to which they relate.

(2) An extract of a document may be filed as a supporting document if the extract is not misleading. The Tribunal or a party may require a fuller extract or a complete version of the document.

(3) If the authenticity of a supporting document is disputed, the Tribunal may order a party to provide a certified copy or to make the original available for examination.

**Rule 6**
**Routing of Documents**

The Secretary-General shall transmit a document filed in the proceeding to:

(a) the other party, unless the parties communicate directly with each other;

(b) the Tribunal, unless the parties communicate directly with the Tribunal on request of the Tribunal or by agreement of the parties; and

(c) the Chairman of the Administrative Council (“Chair”) if applicable.
Rule 7
Procedural Languages, Translation and Interpretation

(1) The parties may agree to use one or two procedural languages in the proceeding. The parties shall consult with the Tribunal and the Secretary-General regarding the use of a language that is not an official language of the Centre. If the parties do not agree on the procedural language(s), each party may select one of the official languages of the Centre.

(2) In a proceeding with one procedural language:
   (a) documents shall be filed and hearings shall be conducted in that procedural language;
   (b) documents in another language shall be accompanied by a translation into that procedural language; and
   (c) testimony in another language shall be interpreted into that procedural language.

(3) In a proceeding with two procedural languages:
   (a) documents may be filed and hearings may be conducted in either procedural language, unless the Tribunal orders that a document be filed in both procedural languages or that a hearing be conducted with interpretation into both procedural languages;
   (b) documents in another language shall be accompanied by a translation into either procedural language, unless the Tribunal orders translation into both procedural languages;
   (c) testimony in another language shall be interpreted into either procedural language, unless the Tribunal orders interpretation into both procedural languages;
   (d) the Tribunal and the Secretary-General may communicate in either procedural language; and
   (e) all orders, decisions and the Award shall be rendered in both procedural languages, unless the parties agree otherwise.

(4) Translation of only the relevant part of a supporting document is sufficient, unless the Tribunal orders a party to provide a fuller or a complete translation. If the translation is disputed, the Tribunal may order a party to provide a certified translation.
Rule 8  
Corruption of Errors

A party may correct an accidental error in a document promptly upon discovery and before the Award is rendered. The parties may refer any dispute regarding a correction to the Tribunal for determination.

Rule 9  
Calculation of Time Limits

(1) References to time shall be determined based on the time at the seat of the Centre on the relevant date.

(2) Any time limit expressed as a period of time shall be calculated from the day after the date on which:

(a) the Tribunal, or the Secretary-General if applicable, announces the period; or

(b) the procedural step starting the period is taken.

(3) A time limit shall be satisfied if a procedural step is taken or a document is received by the Secretary-General on the relevant date, or on the subsequent business day if the date falls on a Saturday or Sunday.

Rule 10  
Fixing Time Limits

(1) The Tribunal, or the Secretary-General if applicable, shall fix time limits for the completion of each procedural step in the proceeding, other than time limits prescribed by the Convention or these Rules.

(2) In fixing time limits pursuant to paragraph (1), the Tribunal, or the Secretary-General if applicable, shall consult with the parties as far as possible.

(3) The Tribunal may delegate the power to fix time limits to its President.

Rule 11  
Extension of Time Limits Applicable to Parties

(1) The time limits in Articles 49, 51 and 52 of the Convention cannot be extended. An application or request filed after the expiry of such time limits shall be disregarded.
(2) A time limit prescribed by the Convention or these Rules, other than those referred to in paragraph (1), may only be extended by agreement of the parties. A procedural step taken or document received after the expiry of such time limit shall be disregarded, unless the parties agree otherwise or the Tribunal decides that there are special circumstances justifying the failure to meet the time limit.

(3) A time limit fixed by the Tribunal or the Secretary-General may be extended by agreement of the parties or the Tribunal, or the Secretary-General if applicable, upon reasoned application by either party made prior to its expiry. A procedural step taken or document received after the expiry of such time limit shall be disregarded, unless the parties agree otherwise or the Tribunal, or the Secretary-General if applicable, decides that there are special circumstances justifying the failure to meet the time limit.

(4) The Tribunal may delegate the power to extend time limits to its President.

Rule 12
Time Limits Applicable to the Tribunal

(1) The Tribunal shall use best efforts to meet time limits to render orders, decisions and the Award.

(2) If the Tribunal cannot comply with an applicable time limit, it shall advise the parties of the special circumstances justifying the delay and the date when it anticipates rendering the order, decision or Award.

CHAPTER II
ESTABLISHMENT OF THE TRIBUNAL

Rule 13
General Provisions Regarding the Establishment of the Tribunal

(1) The Tribunal shall be constituted without delay after registration of the Request for arbitration.

(2) The majority of the arbitrators on a Tribunal shall be nationals of States other than the State party to the dispute and the
State whose national is a party to the dispute, unless the Sole Arbitrator or each individual member of the Tribunal is appointed by agreement of the parties.

(3) A party may not appoint an arbitrator who is a national of the State party to the dispute or the State whose national is a party to the dispute without agreement of the other party.

(4) A person previously involved in the resolution of the dispute as a conciliator, judge, mediator or in a similar capacity may be appointed as an arbitrator only by agreement of the parties.

Rule 14
Notice of Third-Party Funding

(1) A party shall file a written notice disclosing the name and address of any non-party from which the party, directly or indirectly, has received funds for the pursuit or defense of the proceeding through a donation or grant, or in return for remuneration dependent on the outcome of the proceeding ("third-party funding"). If the non-party providing funding is a juridical person, the notice shall include the names of the persons and entities that own and control that juridical person.

(2) A party shall file the notice referred to in paragraph (1) with the Secretary-General upon registration of the Request for arbitration, or immediately upon concluding a third-party funding arrangement after registration. The party shall immediately notify the Secretary-General of any changes to the information in the notice.

(3) The Secretary-General shall transmit the notice of third-party funding and any notification of changes to the information in such notice to the parties and to any arbitrator proposed for appointment or appointed in a proceeding for purposes of completing the arbitrator declaration required by Rule 19(3)(b).

(4) The Tribunal may order disclosure of further information regarding the funding agreement and the non-party providing funding pursuant to Rule 36(3).

Rule 15
Method of Constituting the Tribunal

(1) The number of arbitrators and the method of their appointment must be determined before the Secretary-General can act on any appointment proposed by a party.
(2) The parties shall endeavor to agree on any uneven number of arbitrators and the method of their appointment. If the parties do not advise the Secretary-General of an agreement within 45 days after the date of registration, the Tribunal shall be constituted in accordance with Article 37(2)(b) of the Convention.

Rule 16
Appointment of Arbitrators to a Tribunal Constituted in Accordance with Article 37(2)(b) of the Convention

If the Tribunal is to be constituted in accordance with Article 37(2)(b) of the Convention, each party shall appoint an arbitrator and the parties shall jointly appoint the President of the Tribunal.

Rule 17
Assistance of the Secretary-General with Appointment

The parties may jointly request that the Secretary-General assist with the appointment of the President of the Tribunal or a Sole Arbitrator.

Rule 18
Appointment of Arbitrators by the Chair in Accordance with Article 38 of the Convention

(1) If the Tribunal has not been constituted within 90 days after the date of registration, or such other period as the parties may agree, either party may request that the Chair appoint the arbitrator(s) who have not yet been appointed pursuant to Article 38 of the Convention.

(2) The Chair shall appoint the President of the Tribunal after appointing any members who have not yet been appointed.

(3) The Chair shall consult with the parties as far as possible before appointing an arbitrator and shall use best efforts to appoint any arbitrator(s) within 30 days after receipt of the request to appoint.

Rule 19
Acceptance of Appointment

(1) A party appointing an arbitrator shall notify the Secretary-General of the appointment and provide the appointee’s name, nationality and contact information.
(2) Upon receipt of a notification pursuant to paragraph (1), the Secretary-General shall request an acceptance from the appointee and shall transmit to the appointee the information received from the parties relevant to completion of the declaration referred to in paragraph (3)(b).

(3) Within 20 days after receipt of the request for acceptance of an appointment, the appointee shall:
   (a) accept the appointment; and
   (b) provide a signed declaration in the form published by the Centre, addressing matters including the arbitrator’s independence, impartiality, availability and commitment to maintain the confidentiality of the proceeding.

(4) The Secretary-General shall notify the parties of the acceptance of appointment by each arbitrator and transmit the signed declaration to them.

(5) The Secretary-General shall notify the parties if an arbitrator fails to accept the appointment or provide a signed declaration within the time limit referred to in paragraph (3), and another person shall be appointed as arbitrator in accordance with the method followed for the previous appointment.

(6) Each arbitrator shall have a continuing obligation promptly to disclose any change of circumstances relevant to the declaration referred to in paragraph (3)(b).

Rule 20
Replacement of Arbitrators Prior to Constitution of the Tribunal

(1) At any time before the Tribunal is constituted:
   (a) an arbitrator may withdraw an acceptance;
   (b) a party may replace an arbitrator whom it appointed; or
   (c) the parties may agree to replace any arbitrator.

(2) A replacement arbitrator shall be appointed as soon as possible, in accordance with the method by which the withdrawing or replaced arbitrator was appointed.

Rule 21
Constitution of the Tribunal

(1) The Tribunal shall be deemed to be constituted on the date the Secretary-General notifies the parties that all the arbitrators
have accepted their appointments and signed the declaration required by Rule 19(3)(b).

(2) As soon as the Tribunal is constituted, the Secretary-General shall transmit the Request for arbitration, the supporting documents, the notice of registration and communications with the parties to each member.

CHAPTER III
DISQUALIFICATION OF ARBITRATORS
AND VACANCIES

Rule 22
Proposal for Disqualification of Arbitrators

(1) A party may file a proposal to disqualify one or more arbitrators ("proposal") in accordance with the following procedure:

(a) the proposal shall be filed after the constitution of the Tribunal and within 21 days after the later of:
   (i) the constitution of the Tribunal; or
   (ii) the date on which the party proposing the disqualification first knew or first should have known of the facts on which the proposal is based;

(b) the proposal shall include the grounds on which it is based, a statement of the relevant facts, law and arguments, and any supporting documents;

(c) the other party shall file its response and any supporting documents within 21 days after receipt of the proposal;

(d) the arbitrator to whom the proposal relates may file a statement that is limited to factual information relevant to the proposal. The statement shall be filed within five days after the earlier of receipt of the response or expiry of the time limit referred to in paragraph (1)(c); and

(e) each party may file a final written submission on the proposal within seven days after the earlier of receipt of the statement or expiry of the time limit referred to in paragraph (1)(d).

(2) The proceeding shall be suspended upon the filing of the proposal until a decision on the proposal has been made, except to the extent that the parties agree to continue the proceeding.
Rule 23
Decision on the Proposal for Disqualification

(1) The decision on a proposal shall be made by the arbitrators not subject to the proposal or by the Chair in accordance with Article 58 of the Convention.

(2) For the purposes of Article 58 of the Convention:
   (a) if the arbitrators not subject to a proposal are unable to decide the proposal for any reason, they shall notify the Secretary-General and they shall be considered equally divided;
   (b) if a subsequent proposal is filed while the decision on a prior proposal is pending, both proposals shall be decided by the Chair as if they were a proposal to disqualify a majority of the Tribunal.

(3) The arbitrators not subject to the proposal and the Chair shall use best efforts to decide any proposal within 30 days after the later of the expiry of the time limit referred to in Rule 22(1)(e) or the notice in Rule 23(2)(a).

Rule 24
Incapacity or Failure to Perform Duties

If an arbitrator becomes incapacitated or fails to perform the duties required of an arbitrator, the procedure in Rules 22 and 23 shall apply.

Rule 25
Resignation

(1) An arbitrator may resign by notifying the Secretary-General and the other members of the Tribunal and providing reasons for the resignation.

(2) If the arbitrator was appointed by a party, the other members of the Tribunal shall promptly notify the Secretary-General whether they consent to the arbitrator’s resignation for the purposes of Rule 26(3)(a).

Rule 26
Vacancy on the Tribunal

(1) The Secretary-General shall notify the parties of any vacancy on the Tribunal.
(2) The proceeding shall be suspended from the date of notice of the vacancy until the vacancy is filled.

(3) A vacancy on the Tribunal shall be filled by the method used to make the original appointment, except that the Chair shall fill the following vacancies from the Panel of Arbitrators:

(a) a vacancy caused by the resignation of a party-appointed arbitrator without the consent of the other members of the Tribunal; or

(b) a vacancy that has not been filled within 45 days after the notice of vacancy.

(4) Once a vacancy has been filled and the Tribunal has been reconstituted, the proceeding shall continue from the point it had reached at the time the vacancy was notified. Any portion of a hearing shall be recommenced if the newly appointed arbitrator considers it necessary to decide a pending matter.

CHAPTER IV
CONDUCT OF THE PROCEEDING

Rule 27
Orders and Decisions

(1) The Tribunal shall make the orders and decisions required for the conduct of the proceeding.

(2) Orders and decisions may be made by any appropriate means of communication, shall indicate the reasons upon which they are made, and may be signed by the President on behalf of the Tribunal.

(3) The Tribunal shall consult with the parties prior to making an order or decision it is authorized by these Rules to make on its own initiative.

Rule 28
Waiver

Subject to Article 45 of the Convention, if a party knows or should have known that an applicable rule, agreement of the parties, or any order or decision of the Tribunal or the Secretary-General has not been complied with, and does not object promptly, then that party shall be deemed to have waived its right to object to that non-compliance, unless the Tribunal decides that there are special circumstances justifying the failure to object promptly.
Rule 29
First Session

(1) The Tribunal shall hold a first session to address the procedure, including the matters listed in paragraph (4).

(2) The first session may be held in person or remotely, by any means that the Tribunal deems appropriate. The agenda, method and date of the first session shall be determined by the President of the Tribunal after consulting with the other members and the parties.

(3) The first session shall be held within 60 days after the constitution of the Tribunal or such other period as the parties may agree. If the President of the Tribunal determines that it is not possible to convene the parties and the other members within this period, the Tribunal shall decide whether to hold the first session solely between the President of the Tribunal and the parties, or solely among the Tribunal members based on the parties’ written submissions.

(4) Before the first session, the Tribunal shall invite the parties’ views on procedural matters, including:
   (a) the applicable arbitration rules;
   (b) the division of advances payable pursuant to ICSID Administrative and Financial Regulation 15;
   (c) the procedural language(s), translation and interpretation;
   (d) the method of filing and routing of documents;
   (e) the number, length, type and format of written submissions;
   (f) the place of hearings and whether a hearing will be held in person or remotely;
   (g) whether there will be requests for production of documents as between the parties and, if so, the scope, timing and procedure for such requests;
   (h) the procedural calendar;
   (i) the manner of making recordings and transcripts of hearings;
   (j) the publication of documents and recordings;
   (k) the treatment of confidential or protected information; and
   (l) any other procedural matter raised by either party or the Tribunal.

(5) The Tribunal shall issue an order recording the parties’ agreements and any Tribunal decisions on the procedure within
15 days after the later of the first session or the last written submission on procedural matters addressed at the first session.

**Rule 30**  
**Written Submissions**

(1) The parties shall file the following written submissions:

(a) a memorial by the requesting party;
(b) a counter-memorial by the other party;

and, unless the parties agree otherwise:

(c) a reply by the requesting party; and
(d) a rejoinder by the other party.

(2) A memorial shall contain a statement of the relevant facts, law and arguments, and the request for relief. A counter-memorial shall contain a statement of the relevant facts, including an admission or denial of facts stated in the memorial, and any necessary additional facts, a statement of law in reply to the memorial, arguments and the request for relief. A reply and rejoinder shall be limited to responding to the previous written submission and addressing any relevant facts that are new or could not have been known prior to filing the reply or rejoinder.

(3) A party may file unscheduled written submissions, observations or supporting documents only after obtaining leave of the Tribunal, unless the filing of such documents is provided for by the Convention or these Rules. The Tribunal may grant such leave upon a timely and reasoned application if it finds such written submissions, observations or supporting documents are necessary in view of all relevant circumstances.

**Rule 31**  
**Case Management Conferences**

With a view to conducting an expeditious and cost-effective proceeding, the Tribunal shall convene one or more case management conferences with the parties at any time after the first session to:

(a) identify uncontested facts;
(b) clarify and narrow the issues in dispute; or
(c) address any other procedural or substantive issue related to the resolution of the dispute.
Rule 32
Hearings

(1) The Tribunal shall hold one or more hearings, unless the parties agree otherwise.

(2) The President of the Tribunal shall determine the date, time and method of holding a hearing after consulting with the other members of the Tribunal and the parties.

(3) A hearing in person may be held at any place agreed to by the parties after consulting with the Tribunal and the Secretary-General. If the parties do not agree on the place of a hearing, it shall be held at the seat of the Centre pursuant to Article 62 of the Convention.

(4) Any member of the Tribunal may put questions to the parties and ask for explanations at any time during a hearing.

Rule 33
Quorum

The participation of a majority of the members of the Tribunal by any appropriate means of communication shall be required at the first session, case management conferences, hearings and deliberations, except as provided in these Rules or unless the parties agree otherwise.

Rule 34
Deliberations

(1) The deliberations of the Tribunal shall take place in private and remain confidential.

(2) The Tribunal may deliberate at any place and by any means it considers appropriate.

(3) The Tribunal may be assisted by the Secretary of the Tribunal at its deliberations. No other person shall assist the Tribunal at its deliberations, unless the Tribunal decides otherwise and notifies the parties.

(4) The Tribunal shall deliberate on any matter for decision immediately after the last submission on that matter.
Rule 35
Decisions Made by Majority Vote

The Tribunal shall make decisions by a majority of the votes of all its members. Abstention shall count as a negative vote.

CHAPTER V
EVIDENCE

Rule 36
Evidence: General Principles

(1) The Tribunal shall determine the admissibility and probative value of the evidence adduced.

(2) Each party has the burden of proving the facts relied on to support its claim or defense.

(3) The Tribunal may call upon a party to produce documents or other evidence if it deems it necessary at any stage of the proceeding.

Rule 37
Disputes Arising from Requests for Production of Documents

In deciding a dispute arising out of a party’s objection to the other party’s request for production of documents, the Tribunal shall consider all relevant circumstances, including:

(a) the scope and timeliness of the request;
(b) the relevance and materiality of the documents requested;
(c) the burden of production; and
(d) the basis of the objection.

Rule 38
Witnesses and Experts

(1) A party intending to rely on evidence given by a witness shall file a written statement by that witness. The statement shall identify the witness, contain the evidence of the witness, and be signed and dated.
(2) A witness who has filed a written statement may be called for examination at a hearing.

(3) The Tribunal shall determine the manner in which the examination is conducted.

(4) A witness shall be examined before the Tribunal, by the parties, and under the control of the President. Any member of the Tribunal may put questions to the witness.

(5) A witness shall be examined in person unless the Tribunal determines that another means of examination is appropriate in the circumstances.

(6) Each witness shall make the following declaration before giving evidence: "I solemnly declare upon my honor and conscience that I shall speak the truth, the whole truth, and nothing but the truth."

(7) Paragraphs (1)-(5) shall apply, with necessary modifications, to evidence given by an expert.

(8) Each expert shall make the following declaration before giving evidence: "I solemnly declare upon my honor and conscience that my statement will be in accordance with my sincere belief."

**Rule 39**

**Tribunal-Appointed Experts**

(1) Unless the parties agree otherwise, the Tribunal may appoint one or more independent experts to report to it on specific matters within the scope of the dispute.

(2) The Tribunal shall consult with the parties on the appointment of an expert, including on the terms of reference and fees of the expert.

(3) Upon accepting an appointment by the Tribunal, an expert shall provide a signed declaration in the form published by the Centre.

(4) The parties shall provide the Tribunal-appointed expert with any information, document or other evidence that the expert may require. The Tribunal shall decide any dispute regarding the evidence required by the Tribunal-appointed expert.

(5) The parties shall have the right to make submissions on the report of the Tribunal-appointed expert.

(6) Rule 38 shall apply, with necessary modifications, to the Tribunal-appointed expert.
Rule 40
Visits and Inquiries

(1) The Tribunal may order a visit to any place connected with the dispute, on its own initiative or upon a party’s request, if it deems the visit necessary, and may conduct inquiries there as appropriate.

(2) The order shall define the scope of the visit and the subject of any inquiry, the procedure to be followed, the applicable time limits and other relevant terms.

(3) The parties shall have the right to participate in any visit or inquiry.

CHAPTER VI
SPECIAL PROCEDURES

Rule 41
Manifest Lack of Legal Merit

(1) A party may object that a claim is manifestly without legal merit. The objection may relate to the substance of the claim, the jurisdiction of the Centre, or the competence of the Tribunal.

(2) The following procedure shall apply:

(a) a party shall file a written submission no later than 45 days after the constitution of the Tribunal;

(b) the written submission shall specify the grounds on which the objection is based and contain a statement of the relevant facts, law and arguments;

(c) the Tribunal shall fix time limits for submissions on the objection;

(d) if a party files the objection before the constitution of the Tribunal, the Secretary-General shall fix time limits for written submissions on the objection, so that the Tribunal may consider the objection promptly upon its constitution; and

(e) the Tribunal shall render its decision or Award on the objection within 60 days after the later of the constitution of the Tribunal or the last submission on the objection.

(3) If the Tribunal decides that all claims are manifestly without legal merit, it shall render an Award to that effect. Otherwise,
the Tribunal shall issue a decision on the objection and fix any time limit necessary for the further conduct of the proceeding.

(4) A decision that a claim is not manifestly without legal merit shall be without prejudice to the right of a party to file a preliminary objection pursuant to Rule 43 or to argue subsequently in the proceeding that a claim is without legal merit.

**Rule 42**  
**Bifurcation**

(1) A party may request that a question be addressed in a separate phase of the proceeding ("request for bifurcation").

(2) If a request for bifurcation relates to a preliminary objection, Rule 44 shall apply.

(3) The following procedure shall apply to a request for bifurcation other than a request referred to in Rule 44:
   
   (a) the request for bifurcation shall be filed as soon as possible;
   
   (b) the request for bifurcation shall state the questions to be bifurcated;
   
   (c) the Tribunal shall fix time limits for submissions on the request for bifurcation;
   
   (d) the Tribunal shall issue its decision on the request for bifurcation within 30 days after the last submission on the request; and
   
   (e) the Tribunal shall fix any time limit necessary for the further conduct of the proceeding.

(4) In determining whether to bifurcate, the Tribunal shall consider all relevant circumstances, including whether:

   (a) bifurcation would materially reduce the time and cost of the proceeding;
   
   (b) determination of the questions to be bifurcated would dispose of all or a substantial portion of the dispute; and
   
   (c) the questions to be addressed in separate phases of the proceeding are so intertwined as to make bifurcation impractical.

(5) If the Tribunal orders bifurcation pursuant to this Rule, it shall suspend the proceeding with respect to any questions to be addressed at a later phase, unless the parties agree otherwise.

(6) The Tribunal may at any time on its own initiative decide whether a question should be addressed in a separate phase of the proceeding.
Rule 43
Preliminary Objections

(1) A party may file a preliminary objection that the dispute or any ancillary claim is not within the jurisdiction of the Centre or for other reasons is not within the competence of the Tribunal ("preliminary objection").

(2) A party shall notify the Tribunal and the other party of its intent to file a preliminary objection as soon as possible.

(3) The Tribunal may at any time on its own initiative consider whether a dispute or an ancillary claim is within the jurisdiction of the Centre or within its own competence.

(4) The Tribunal may address a preliminary objection in a separate phase of the proceeding or join the objection to the merits. It may do so upon request of a party pursuant to Rule 44 or at any time on its own initiative, in accordance with the procedure in Rule 44(2)-(4).

Rule 44
Preliminary Objections with a Request for Bifurcation

(1) The following procedure shall apply with respect to a request for bifurcation relating to a preliminary objection:

(a) unless the parties agree otherwise, the request for bifurcation shall be filed:

   (i) within 45 days after filing the memorial on the merits;

   (ii) within 45 days after filing the written submission containing the ancillary claim, if the objection relates to the ancillary claim; or

   (iii) as soon as possible after the facts on which the preliminary objection is based become known to a party, if those facts were unknown to that party on the dates referred to in paragraph (1)(a)(i) and (ii);

(b) the request for bifurcation shall state the preliminary objection to which it relates;

(c) unless the parties agree otherwise, the proceeding on the merits shall be suspended until the Tribunal decides whether to bifurcate;

(d) the Tribunal shall fix time limits for submissions on the request for bifurcation; and

(e) the Tribunal shall issue its decision on a request for bifurcation within 30 days after the last submission on the request.
(2) In determining whether to bifurcate, the Tribunal shall consider all relevant circumstances, including whether:
(a) bifurcation would materially reduce the time and cost of the proceeding;
(b) determination of the preliminary objection would dispose of all or a substantial portion of the dispute; and
(c) the preliminary objection and the merits are so intertwined as to make bifurcation impractical.

(3) If the Tribunal decides to address the preliminary objection in a separate phase of the proceeding, it shall:
(a) suspend the proceeding on the merits, unless the parties agree otherwise;
(b) fix time limits for submissions on the preliminary objection;
(c) render its decision or Award on the preliminary objection within 180 days after the last submission, in accordance with Rule 58(1)(b); and
(d) fix any time limit necessary for the further conduct of the proceeding if the Tribunal does not render an Award.

(4) If the Tribunal decides to join the preliminary objection to the merits, it shall:
(a) fix time limits for submissions on the preliminary objection;
(b) modify any time limits for submissions on the merits, as required; and
(c) render its Award within 240 days after the last submission in the proceeding, in accordance with Rule 58(1)(c).

Rule 45
Preliminary Objections without a Request for Bifurcation

If a party does not request bifurcation of a preliminary objection within the time limits referred to in Rule 44(1)(a) or the parties confirm that they will not request bifurcation, the preliminary objection shall be joined to the merits and the following procedure shall apply:
(a) the Tribunal shall fix time limits for submissions on the preliminary objection;
(b) the memorial on the preliminary objection shall be filed:
    (i) by the date to file the counter-memorial on the merits;
(ii) by the date to file the next written submission after an ancillary claim, if the objection relates to the ancillary claim; or

(iii) as soon as possible after the facts on which the objection is based become known to a party, if those facts were unknown to that party on the dates referred to in paragraph (b)(i) and (ii);

(c) the party filing the memorial on preliminary objections shall also file its counter-memorial on the merits, or, if the objection relates to an ancillary claim, file its next written submission after the ancillary claim; and

(d) the Tribunal shall render its Award within 240 days after the last submission in the proceeding, in accordance with Rule 58(1)(c).

Rule 46
Consolidation or Coordination of Arbitrations

(1) Parties to two or more pending arbitrations administered by the Centre may agree to consolidate or coordinate these arbitrations.

(2) Consolidation joins all aspects of the arbitrations sought to be consolidated and results in one Award. To be consolidated pursuant to this Rule, the arbitrations shall have been registered in accordance with the Convention and shall involve the same Contracting State (or constituent subdivision or agency of the Contracting State).

(3) Coordination aligns specific procedural aspects of two or more pending arbitrations, but the arbitrations remain separate proceedings and result in separate Awards.

(4) The parties referred to in paragraph (1) shall jointly provide the Secretary-General with proposed terms for the conduct of the consolidated or coordinated arbitrations and consult with the Secretary-General to ensure that the proposed terms are capable of being implemented.

(5) After the consultation referred to in paragraph (4), the Secretary-General shall communicate the proposed terms agreed by the parties to the Tribunals constituted in the arbitrations. Such Tribunals shall make any order or decision required to implement these terms.
Rule 47
Provisional Measures

(1) A party may at any time request that the Tribunal recommend provisional measures to preserve that party’s rights, including measures to:

(a) prevent action that is likely to cause current or imminent harm to that party or prejudice to the arbitral process;
(b) maintain or restore the status quo pending determination of the dispute; or
(c) preserve evidence that may be relevant to the resolution of the dispute.

(2) The following procedure shall apply:

(a) the request shall specify the rights to be preserved, the measures requested, and the circumstances that require such measures;
(b) the Tribunal shall fix time limits for submissions on the request;
(c) if a party requests provisional measures before the constitution of the Tribunal, the Secretary-General shall fix time limits for written submissions on the request so that the Tribunal may consider the request promptly upon its constitution; and
(d) the Tribunal shall issue its decision on the request within 30 days after the later of the constitution of the Tribunal or the last submission on the request.

(3) In deciding whether to recommend provisional measures, the Tribunal shall consider all relevant circumstances, including:

(a) whether the measures are urgent and necessary; and
(b) the effect that the measures may have on each party.

(4) The Tribunal may recommend provisional measures on its own initiative. The Tribunal may also recommend provisional measures different from those requested by a party.

(5) A party shall promptly disclose any material change in the circumstances upon which the Tribunal recommended provisional measures.

(6) The Tribunal may at any time modify or revoke the provisional measures, on its own initiative or upon a party’s request.

(7) A party may request any judicial or other authority to order provisional measures if such recourse is permitted by the instrument recording the parties’ consent to arbitration.
Rule 48
Ancillary Claims

(1) Unless the parties agree otherwise, a party may file an incidental or additional claim or a counterclaim (“ancillary claim”) arising directly out of the subject-matter of the dispute, provided that such ancillary claim is within the scope of the consent of the parties and the jurisdiction of the Centre.

(2) An incidental or additional claim shall be presented no later than in the reply, and a counterclaim shall be presented no later than in the counter-memorial, unless the Tribunal decides otherwise.

(3) The Tribunal shall fix time limits for submissions on the ancillary claim.

Rule 49
Default

(1) A party is in default if it fails to appear or present its case or indicates that it will not appear or present its case.

(2) If a party is in default at any stage of the proceeding, the other party may request that the Tribunal address the questions submitted to it and render an Award.

(3) Upon receipt of the request referred to in paragraph (2), the Tribunal shall notify the defaulting party of the request and grant a grace period to cure the default, unless it is satisfied that the defaulting party does not intend to appear or present its case. The grace period shall not exceed 60 days without the consent of the other party.

(4) If the request in paragraph (2) relates to a failure to appear at a hearing, the Tribunal may:
   (a) reschedule the hearing to a date within 60 days after the original date;
   (b) proceed with the hearing in the absence of the defaulting party and fix a time limit for the defaulting party to file a written submission within 60 days after the hearing; or
   (c) cancel the hearing and fix a time limit for the parties to file written submissions within 60 days after the original date of the hearing.

(5) If the default relates to a scheduled procedural step other than a hearing, the Tribunal may set the grace period to cure the default by fixing a new time limit for the defaulting party to
complete that step within 60 days after the date of the notice of default referred to in paragraph (3).

(6) If the defaulting party fails to act within the grace period or if no such period is granted, the Tribunal shall resume consideration of the dispute and render an Award. For this purpose:

(a) a party’s default shall not be deemed an admission of the assertions made by the other party;

(b) the Tribunal may invite the party that is not in default to make submissions and produce evidence; and

(c) the Tribunal shall examine the jurisdiction of the Centre and its own competence and, if it is satisfied, decide whether the submissions made are well-founded.

CHAPTER VII
COSTS

Rule 50
Costs of the Proceeding

The costs of the proceeding are all costs incurred by the parties in connection with the proceeding, including:

(a) the legal fees and expenses of the parties;

(b) the fees and expenses of the Tribunal, Tribunal assistants approved by the parties and Tribunal-appointed experts; and

(c) the administrative charges and direct costs of the Centre.

Rule 51
Statement of and Submission on Costs

The Tribunal shall request that each party file a statement of its costs and a written submission on the allocation of costs before allocating the costs between the parties.

Rule 52
Decisions on Costs

(1) In allocating the costs of the proceeding, the Tribunal shall consider all relevant circumstances, including:
(a) the outcome of the proceeding or any part of it;
(b) the conduct of the parties during the proceeding, including the extent to which they acted in an expeditious and cost-effective manner and complied with these Rules and the orders and decisions of the Tribunal;
(c) the complexity of the issues; and
(d) the reasonableness of the costs claimed.

(2) If the Tribunal renders an Award pursuant to Rule 41(3), it shall award the prevailing party its reasonable costs, unless the Tribunal determines that there are special circumstances justifying a different allocation of costs.

(3) The Tribunal may make an interim decision on costs at any time, on its own initiative or upon a party’s request.

(4) The Tribunal shall ensure that all decisions on costs are reasoned and form part of the Award.

Rule 53
Security for Costs

(1) Upon request of a party, the Tribunal may order any party asserting a claim or counterclaim to provide security for costs.

(2) The following procedure shall apply:
   (a) the request shall include a statement of the relevant circumstances and the supporting documents;
   (b) the Tribunal shall fix time limits for submissions on the request;
   (c) if a party requests security for costs before the constitution of the Tribunal, the Secretary-General shall fix time limits for written submissions on the request so that the Tribunal may consider the request promptly upon its constitution; and
   (d) the Tribunal shall issue its decision on the request within 30 days after the later of the constitution of the Tribunal or the last submission on the request.

(3) In determining whether to order a party to provide security for costs, the Tribunal shall consider all relevant circumstances, including:
   (a) that party’s ability to comply with an adverse decision on costs;
   (b) that party’s willingness to comply with an adverse decision on costs;
(c) the effect that providing security for costs may have on that party’s ability to pursue its claim or counterclaim; and
(d) the conduct of the parties.

(4) The Tribunal shall consider all evidence adduced in relation to the circumstances in paragraph (3), including the existence of third-party funding.

(5) The Tribunal shall specify any relevant terms in an order to provide security for costs and shall fix a time limit for compliance with the order.

(6) If a party fails to comply with an order to provide security for costs, the Tribunal may suspend the proceeding. If the proceeding is suspended for more than 90 days, the Tribunal may, after consulting with the parties, order the discontinuance of the proceeding.

(7) A party shall promptly disclose any material change in the circumstances upon which the Tribunal ordered security for costs.

(8) The Tribunal may at any time modify or revoke its order on security for costs, on its own initiative or upon a party’s request.

CHAPTER VIII
SUSPENSION, SETTLEMENT AND DISCONTINUANCE

Rule 54
Suspension of the Proceeding

(1) The Tribunal shall suspend the proceeding by agreement of the parties.

(2) The Tribunal may suspend the proceeding upon the request of either party or on its own initiative, except as otherwise provided in the ICSID Administrative and Financial Regulations or these Rules.

(3) The Tribunal shall give the parties the opportunity to make observations before ordering a suspension pursuant to paragraph (2).

(4) In its order suspending the proceeding, the Tribunal shall specify:
(a) the period of the suspension;
(b) any relevant terms; and
(c) a modified procedural calendar to take effect on resumption of the proceeding, if necessary.

(5) The Tribunal shall extend the period of a suspension prior to its expiry by agreement of the parties.

(6) The Tribunal may extend the period of a suspension prior to its expiry, on its own initiative or upon a party’s request, after giving the parties an opportunity to make observations.

(7) The Secretary-General shall suspend the proceeding pursuant to paragraph (1) or extend the suspension pursuant to paragraph (5) if the Tribunal has not yet been constituted or if there is a vacancy on the Tribunal. The parties shall inform the Secretary-General of the period of the suspension and any terms agreed to by the parties.

Rule 55
Settlement and Discontinuance by Agreement of the Parties

(1) If the parties notify the Tribunal that they have agreed to discontinue the proceeding, the Tribunal shall issue an order taking note of the discontinuance.

(2) If the parties agree on a settlement of the dispute before the Award is rendered, the Tribunal:
   (a) shall issue an order taking note of the discontinuance of the proceeding, if the parties so request; or
   (b) may record the settlement in the form of an Award, if the parties file the complete and signed text of their settlement and request that the Tribunal embody such settlement in an Award.

(3) The Secretary-General shall issue the order referred to in paragraphs (1) and (2)(a) if the Tribunal has not yet been constituted or if there is a vacancy on the Tribunal.

Rule 56
Discontinuance at Request of a Party

(1) If a party requests the discontinuance of the proceeding, the Tribunal shall fix a time limit within which the other party may oppose the discontinuance. If no objection in writing is made within the time limit, the other party shall be deemed to have
acquiesced in the discontinuance and the Tribunal shall issue an order taking note of the discontinuance of the proceeding. If any objection in writing is made within the time limit, the proceeding shall continue.

(2) The Secretary-General shall fix the time limit and issue the order referred to in paragraph (1) if the Tribunal has not yet been constituted or if there is a vacancy on the Tribunal.

Rule 57

(2) If the parties fail to take a step within 30 days after the notice referred to in paragraph (1), they shall be deemed to have discontinued the proceeding and the Tribunal shall issue an order taking note of the discontinuance.

(3) If either party takes a step within 30 days after the notice referred to in paragraph (1), the proceeding shall continue.

(4) The Secretary-General shall issue the notice and the order referred to in paragraphs (1) and (2) if the Tribunal has not yet been constituted or if there is a vacancy on the Tribunal.

CHAPTER IX

CHAPTER X
PUBLICATION, ACCESS TO PROCEEDINGS AND NON-DISPUTING PARTY SUBMISSIONS

Rule 62
Publication of Awards and Decisions on Annulment

(1) With consent of the parties, the Centre shall publish every Award, supplementary decision on an Award, rectification, interpretation, and revision of an Award, and decision on annulment.

(2) The parties may consent to publication of the full text or to a jointly redacted text of the documents referred to in paragraph (1).

(3) Consent to publish the documents referred to in paragraph (1) shall be deemed to have been given if no party objects in writing to such publication within 60 days after the dispatch of the document.

(4) Absent consent of the parties pursuant to paragraphs (1)-(3), the Centre shall publish excerpts of the documents referred to in paragraph (1). The following procedure shall apply to publication of excerpts:

(a) the Secretary-General shall propose excerpts to the parties within 60 days after the date upon which either party objects to publication or notifies the Secretary-General that the parties disagree on redaction of the document;

(b) the parties may send comments on the proposed excerpts to the Secretary-General within 60 days after their receipt, including whether any information in the proposed excerpts is confidential or protected as defined in Rule 66; and

(c) the Secretary-General shall consider any comments received on the proposed excerpts and publish such excerpts within 30 days after the expiry of the time limit referred to in paragraph (4)(b).
Rule 63
Publication of Orders and Decisions

(1) The Centre shall publish orders and decisions, with any redactions agreed to by the parties and jointly notified to the Secretary-General within 60 days after the order or decision is issued.

(2) If either party notifies the Secretary-General within the 60-day period referred to in paragraph (1) that the parties disagree on any proposed redactions, the Secretary-General shall refer the order or decision to the Tribunal to decide any disputed redactions. The Centre shall publish the order or decision in accordance with the decision of the Tribunal.

(3) In deciding a dispute pursuant to paragraph (2), the Tribunal shall ensure that publication does not disclose any confidential or protected information as defined in Rule 66.

Rule 64
Publication of Documents Filed in the Proceeding

(1) With consent of the parties, the Centre shall publish any written submission or supporting document filed by a party in the proceeding, with any redactions agreed to by the parties and jointly notified to the Secretary-General.

(2) Absent consent of the parties pursuant to paragraph (1), a party may refer to the Tribunal a dispute regarding the redaction of a written submission, excluding supporting documents, that it filed in the proceeding. The Tribunal shall decide any disputed redactions and the Centre shall publish the written submission in accordance with the decision of the Tribunal.

(3) In deciding a dispute pursuant to paragraph (2), the Tribunal shall ensure that publication does not disclose any confidential or protected information as defined in Rule 66.

Rule 65
Observation of Hearings

(1) The Tribunal shall allow persons in addition to the parties, their representatives, witnesses and experts during their testimony, and persons assisting the Tribunal, to observe hearings, unless either party objects.

(2) The Tribunal shall establish procedures to prevent the disclosure of confidential or protected information as defined in Rule 66 to persons observing the hearings.
(3) Upon request of a party, the Centre shall publish recordings or transcripts of hearings, unless the other party objects.

**Rule 66**

**Confidential or Protected Information**

For the purposes of Rules 62-65, confidential or protected information is information which is protected from public disclosure:

(a) by the instrument of consent to arbitration;
(b) by the applicable law or applicable rules;
(c) in the case of information of a State party to the dispute, by the law of that State;
(d) in accordance with the orders and decisions of the Tribunal;
(e) by agreement of the parties;
(f) because it constitutes confidential business information or protected personal information;
(g) because public disclosure would impede law enforcement;
(h) because a State party to the dispute considers that public disclosure would be contrary to its essential security interests;
(i) because public disclosure would aggravate the dispute between the parties; or
(j) because public disclosure would undermine the integrity of the arbitral process.

**Rule 67**

**Submission of Non-Disputing Parties**

(1) Any person or entity that is not a party to the dispute ("non-disputing party") may apply for permission to file a written submission in the proceeding. The application shall be made in the procedural language(s) used in the proceeding.

(2) In determining whether to permit a non-disputing party submission, the Tribunal shall consider all relevant circumstances, including:

(a) whether the submission would address a matter within the scope of the dispute;
(b) how the submission would assist the Tribunal to determine a factual or legal issue related to the proceeding by bringing a perspective, particular knowledge or insight that is different from that of the parties;
(c) whether the non-disputing party has a significant interest in the proceeding;

(d) the identity, activities, organization and ownership of the non-disputing party, including any direct or indirect affiliation between the non-disputing party, a party or a non-disputing Treaty Party; and

(e) whether any person or entity will provide the non-disputing party with financial or other assistance to file the submission.

(3) The parties shall have the right to make observations on whether a non-disputing party should be permitted to file a written submission in the proceeding and on any conditions for filing such a submission.

(4) The Tribunal shall ensure that non-disputing party participation does not disrupt the proceeding or unduly burden or unfairly prejudice either party. To this end, the Tribunal may impose conditions on the non-disputing party, including with respect to the format, length, scope or publication of the written submission and the time limit to file the submission.

(5) The Tribunal shall issue a reasoned decision on whether to permit a non-disputing party submission within 30 days after the last written submission on the application.
