OANDA's currency calculator tools use OANDARates™, the touchstone foreign exchange rates compiled from leading market data contributors. Our rates are trusted and used by major corporations, tax authorities, auditing firms, and individuals around the world.

### Access currency exchange rates back to January, 1990:

- Type currency names, 3-letter ISO currency symbols, or country names to select your currency. Convert world currencies, precious metals, or obsolete currencies, which are marked with an asterisk (\*).
- Choose a percentage from the interbank rate list to better approximate the tourist exchange rates actually charged by your financial institution. ([Find out more about interbank rates.](#))
