Attachments: [Sable Mining Africa Ltd is an AIM listed resource company focused on mining assets in sub.scr](#)

Just copying Bouba so as we are all in the loop in future.
Best,
Alpha

As agreed please find attached the draft letter to be modified at you see fit. I'll be sending the banking reference from a secured connexion as we are currently on public wifi.
Best and thank you so much for making it all so much easier to efficiently move forward with credibility and the proper ressources. Happy to be in collaboration with you all.
Alpha
