[3/3/16, 7:58:35 PM] Nessim Barsallo: I conclude they have orders

[3/3/16, 7:58:50 PM] Frankie J. Lopez®: They say they're verifying in legal blah blah blah because of the case

[3/3/16, 7:59:03 PM] Frankie J. Lopez®: It sucks bro

[3/10/16, 8:07:55 PM] Nessim Barsallo: They are investigating the tender for the capsis

[3/10/16, 8:08:10 PM] Nessim Barsallo: Capsis de cuipo rio sereno and kuna yala

[3/10/16, 8:14:52 PM] Frankie J. Lopez®: Shoot

[3/10/16, 8:14:59 PM] Frankie J. Lopez®: And so?

[3/10/16, 8:15:01 PM] Nessim Barsallo: Since Tuesday

[3/10/16, 8:15:05 PM] Nessim Barsallo: until today

[3/10/16, 8:15:16 PM] Nessim Barsallo: They asked me for everything

[3/10/16, 8:19:59 PM] Frankie J. Lopez®: But ours or all 10 [MINSAs CAPSI contracts]?

[3/10/16, 8:20:29 PM] Nessim Barsallo: Those 3

[...]

[5/28/16, 10:13:25 PM] Frankie J. Lopez®: And what is there no change order? Lack of contract

[5/28/16, 10:14:01 PM] Nessim Barsallo: Because they started messing around with the technical data sheet

[5/28/16, 10:18:31 PM] Frankie J. Lopez®: you know that by law a change order without \$ or time does not have to be endorsed?

[5/28/16, 10:20:05 PM] Nessim Barsallo: That makes no difference

[5/28/16, 10:20:40 PM] Frankie J. Lopez®: What do you mean?

[5/28/16, 10:20:46 PM] Frankie J. Lopez®: It does not need to be endorsed

[5/28/16, 10:21:00 PM] Frankie J. Lopez®: They need to fix the technical data sheet and pay

[5/28/16, 10:23:19 PM] Nessim Barsallo: I don't understand

[5/28/16, 10:24:19 PM] Frankie J. Lopez®: You say that because they started messing around, they did not endorse because of lack of technical data sheet

[5/28/16, 10:24:50 PM] Frankie J. Lopez®: If that issue is fixed, that is sufficient without the need for endorsement

[5/28/16, 10:26:19 PM] Frankie J. Lopez®: If not why? To submit a change order to change data sheets so they take 6 months

[5/28/16, 10:26:41 PM] Frankie J. Lopez®: Who is going to provide the bond if they owe us so much money?

[5/28/16, 10:29:26 PM] Nessim Barsallo: The payment applications that were not yet submitted?

[5/28/16, 10:29:48 PM] Frankie J. Lopez®: Everything was submitted

[5/28/16, 10:32:23 PM] Frankie J. Lopez®: After it was approved by the boss you told me that the Comptroller was not going to endorse and he twisted "dis" arm

[5/28/16, 10:32:25 PM] Nessim Barsallo: I understand they are still outstanding

[5/28/16, 10:32:40 PM] Frankie J. Lopez®: No

[5/28/16, 10:32:52 PM] Frankie J. Lopez®: That they threw them away is another thing

[5/28/16, 10:33:01 PM] Nessim Barsallo: Because they are after the last day of the contract's validity

[5/28/16, 10:33:22 PM] Frankie J. Lopez®: With the story that there was no valid contract. But if we did the work when there was a valid contract

[5/28/16, 10:34:06 PM] Nessim Barsallo: Because all the work done after the last change order you cannot get payment for

[5/28/16, 10:34:07 PM] Frankie J. Lopez®: Those are for work performed during periods when there was a contract

[5/28/16, 10:34:19 PM] Nessim Barsallo: Really?

[5/28/16, 10:34:40 PM] Frankie J. Lopez®: Yep

[...]

[12/15/16, 9:57:03 AM] Nessim Barsallo: But they are still yours  
[12/15/16, 9:57:34 AM] Frankie J. Lopez®: Man they used the assigned funds to the capsis  
for colon  
[12/15/16, 9:57:43 AM] Frankie J. Lopez®: They have no intention to pay  
[12/15/16, 9:57:52 AM] Nessim Barsallo: Brother  
[12/15/16, 9:58:03 AM] Frankie J. Lopez®: They want to put us in because we are not  
getting paid  
[12/15/16, 9:58:16 AM] Nessim Barsallo: We can't pay you if things are not endorsed  
[12/15/16, 9:58:34 AM] Frankie J. Lopez®: They manufactured a case against OR and PF  
[12/15/16, 9:58:49 AM] Nessim Barsallo: That is true  
[12/15/16, 9:58:57 AM] Nessim Barsallo: And that was worth nothing  
[12/15/16, 9:59:12 AM] Frankie J. Lopez®: why don't you want to put them in?  
[12/15/16, 9:59:32 AM] Nessim Barsallo: But take out the capsis
