[08/13/17 9:15:11 p.m.] +507 6614-0402: Hello, Juan.

[08/13/17 9:15:17 p.m.] +507 6614-0402: How are you?

[08/13/17 9:16:14 p.m.] +507 6614-0402: Should we accept a donated land from Ramon Fonseca Mora. His son Gabriel just wrote to me offering it. But I don't know what to say to him

[08/13/17 9:19:16 p.m.] Jj: Where is the land?

[08/13/17 9:38:55 p.m.] +507 6614-0402: They have one in the Coronado area and another one in Penonome.

[08/13/17 9:39:08 p.m.] +507 6614-0402: Allegedly Ramon has already spoken to you

[08/13/17 9:39:27 p.m.] +507 6614-0402: They repaired a school from the Valle for us along with MEP

[08/13/17 9:42:11 p.m.] Jj: We need to check if the lands are of interest for us

[08/13/17 9:49:26 p.m.] +507 6614-0402: Ok, we are going to visit them and I'll let you know

[08/13/17 10:08:55 p.m.] Jj: Perfect

[08/13/17 10:35:13 p.m.] +507 6614-0402: I have \$1.5 million at the National Treasury, it comes from a Taiwan donation that was made effective for the urgent purchase of tablets in order to start with the Foundation C Slim courses and for everything we have in progress... can I transfer it to the Ministry of Education now?

[08/13/17 10:38:50 p.m.] +507 6614-0402: That donation came in several months ago, before the change... we were waiting for the Transfer of line items and then we put it "on hold" for your approval... I need it as soon as possible... we have a super plan to use them for the IPTs that are really worn out...

[08/13/17 10:44:20 p.m.] +507 6614-0402: Can you please confirm... because we have to bid and I hope we have them at the beginning of the next school year

[08/13/17 11:03:49 p.m.] Jj: We'll see

[08/13/17 11:04:11 p.m.] Jj: Yoli should talk to senior

[08/13/17 11:04:21 p.m.] Jj: To see if he will still support

[08/13/17 11:05:24 p.m.] +507 6614-0402: She spoke to Senior.

[08/13/17 11:05:32 p.m.] +507 6614-0402: I'll have to visit her

[08/14/17 11:07:46 a.m.] +507 6614-0402: Hello, Juan. A long time ago you had asked me to get some lands, we have one in Arraijan behind the Super Xtra. The Banco Hipotecario had already given it to us for its use and Admin. But now they are saying that from an order of yours

that is no longer available. They are sending us a document reversing the power of use and administration... Arraijan is part of the areas with a lack of schools and we already have a project... can you confirm this, please?

[06/19/18 5:31:58 p.m.] Jj: Yoli, please, people should respect. Our decisions

[06/19/18 5:32:26 p.m.] Jj: The country would truly appreciate it if the news were more positive

[06/19/18 5:32:44 p.m.] Jj: You know I love you very much

[06/19/18 5:33:08 p.m.] Jj: But it is time that many people who do not help in many issues want to give an opinion

[06/19/18 6:06:13 p.m.] +507 6614-0402: You mean newscasts?

[06/09/18 6:07:05 p.m.] +507 6614-0402: Or the Tocumen issue?

[06/19/18 6:07:30 p.m.] Jj: Yoli, people should stay out of my decisions

[06/19/18 6:07:46 p.m.] Jj: Newscasts offend me every morning

[06/19/18 6:07:57 p.m.] Jj: That is not thinking about the country

[06/19/18 6:09:46 p.m.] +507 6614-0402: OK... sorry... I won't send you any more recommendations...

[06/19/18 6:10:08 p.m.] +507 6614-0402: I thought it was sensible, that's why I sent it

[06/19/18 6:10:30 p.m.] +507 6614-0402: I know. And believe me, I wish I could do more about it

[06/19/18 6:26:16 p.m.] Jj: Yoli, I always listen to you

[06/19/18 6:26:23 p.m.] Jj: But I don't want any comments from. Any more people

[06/19/18 6:26:42 p.m.] Jj: Everyone's giving their opinions

[06/19/18 6:26:49 p.m.] Jj: And pressuring

[06/19/18 6:27:00 p.m.] Jj: And no one defends me

[06/19/18 6:27:05 p.m.] Jj: Frankly, I'm tired

[06/19/18 6:40:53 p.m.] +507 6614-0402: OK, Juan... it's easy to comment without knowing the facts

[06/19/18 6:41:25 p.m.] +507 6614-0402: I won't fall for it again... I am sorry

[06/19/18 6:41:55 p.m.] Jj: It's just that people know who I listen to

[06/19/18 6:42:05 p.m.] Jj: And they start moving

[06/19/18 6:42:30 p.m.] +507 6614-0402: That's right...

[06/22/18 9:20:40 a.m.] +507 6614-0402: Hi, Mr. President. Can I join you on the tour to Muna on Monday? We're fully activated to have everything ready
