

**CONVENTION
ON FUTURE MULTILATERAL COOPERATION
IN NORTH-EAST ATLANTIC FISHERIES¹**

The Contracting Parties,

Noting that the coastal states of the North-East Atlantic have, in accordance with relevant principles of international law, extended their jurisdiction over the living resources of their adjacent waters to limits of up to two hundred nautical miles from the baselines from which the breadth of the territorial sea is measured, and exercise within these areas sovereign rights for the purpose of exploring and exploiting, conserving and managing these resources,

Recognising the relevant provisions of the United Nations Convention on the Law of the Sea of 10 December 1982; the Agreement for the Implementation of the Provisions of the United Nations Convention on the Law of the Sea of 10 December 1982 relating to the Conservation and Management of Straddling Fish Stocks and Highly Migratory Fish Stocks, 1995, the Agreement to Promote Compliance with International Conservation and Management Measures by Fishing Vessels on the High Seas, 1993 and taking into account the Code of Conduct for Responsible Fisheries adopted by the 28th Session of the Conference of the Food and Agriculture Organisation of the United Nations in October 1995.

Desiring to promote the long-term conservation and optimum utilisation of the fishery resources of the North-East Atlantic area, and in doing so to safeguard the marine ecosystems in which the resources occur, and accordingly to encourage international cooperation and consultation with respect to these resources.

Considering that the North-East Atlantic Fisheries Convention of 24 January 1959 should accordingly be replaced,

Have agreed as follows:

ARTICLE 1

For the purpose of this Convention the following definitions apply:

a) "*The Convention Area*" means the areas

¹ The Convention was adopted on 18 November 1980 and entered into force in 1982. It replaced the earlier 1959 North-East Atlantic Fisheries Convention.

The version presented here includes amendments to the Convention that were adopted by the Commission in 2006 and which entered into force for all Contracting Parties on 29 October 2013.

The version presented here also shows the amendment that was adopted in 2004, which has not yet entered into force. However, the new Article 18bis, which that amendment adds to the Convention, is marked with a footnote clarifying that it has not yet entered into force.

(1) within those parts of the Atlantic and Arctic Oceans and their dependent seas which lie north of 36° north latitude and between 42° west longitude and 51° east longitude, but excluding:

- (i) the Baltic Sea and the Belts lying to the south and east of lines drawn from Hasenore Head to Gniben Point, from Korshage to Spodsbjerg and from Gilbjerg Head to the Kullen, and
- (ii) the Mediterranean Sea and its dependent seas as far as the point of intersection of the parallel of 36° latitude and the meridian of 5°36' west longitude

(2) within that part of the Atlantic Ocean north of 59° north latitude and between 44° west longitude and 42° west longitude.

b) "*Fishery resources*" means resources of fish, molluscs, crustaceans and including sedentary species, excluding, in so far as they are dealt with by other international agreements, highly migratory species listed in Annex I of the United Nations Convention on the Law of the Sea of 10 December 1982, and anadromous stocks;

(c) "*Living marine resources*" means all living components of marine ecosystems;

(d) "*Marine biological diversity*" means the variability among marine living organisms and the ecological complexes of which they are part; this includes diversity within species, between species and of ecosystems.

ARTICLE 2

The objective of this Convention is to ensure the long-term conservation and optimum utilisation of the fishery resources in the Convention Area, providing sustainable economic, environmental and social benefits.

ARTICLE 3

1. For the purposes of this Convention the Contracting Parties agree to establish and maintain a North-East Atlantic Fisheries Commission, hereinafter referred to as "the Commission".
2. The Commission shall have legal personality and shall enjoy in its relations with other international organisations and in the territories of the Contracting Parties such legal capacity as may be necessary to perform its functions and achieve its ends.
3. Each Contracting Party shall appoint to the Commission not more than two representatives who may be accompanied at any of its meetings by experts and advisers.
4. The Commission shall elect its own President and not more than two Vice-Presidents.
5. The Office of the Commission shall be in London.

6. Except when the Commission determines otherwise, it shall meet once a year in London at such time as it decides; provided, however, that upon the request of a Contracting Party and subject to the concurrence of three other Contracting Parties, the President shall, as soon as practicable, convene a meeting at such time and place as he may determine.

7. The Commission shall appoint its own Secretary and such other staff as it may require.

8. The Commission may set up such Committees and other subsidiary bodies as it considers desirable for the exercise of its duties and functions.

Decisions of the Commission shall be taken by a simple majority, or, if this Convention specifically requires a qualified majority, by a two-thirds majority of the votes of all Contracting Parties present and casting affirmative or negative votes, provided that no vote shall be taken unless there is a quorum of at least two thirds of the Contracting Parties. If there is an even division of votes on any matter which is subject to a simple majority decision, the proposal shall be regarded as rejected.

10. Subject to the provisions of this Article, the Commission shall adopt its own Rules of Procedure, including provisions for the election of the President and Vice-Presidents and their terms of office.

3. The Commission shall provide a forum for consultation and exchange of information on the state of the fishery resources in the Convention Area and on the management policies, including examination of the overall effects of such policies on the fishery resources and, as appropriate, other living marine resources and marine ecosystems.

ARTICLE 5

1. The Commission shall, as appropriate, make recommendations concerning fisheries conducted beyond the areas under jurisdiction of Contracting Parties. Such recommendations shall be adopted by a qualified majority.

2. The Commission in the exercise of its functions under paragraph 1 shall seek to ensure consistency between:

- (a) any recommendation that applies to a stock or group of stocks occurring both within an area under the jurisdiction of a Contracting Party and beyond, or any recommendation that would have an effect through species inter-relationships on a stock or group of stocks occurring in whole or in part within an area under the jurisdiction of a Contracting Party, and
- (b) any measures and decisions taken by such Contracting Party for the management and conservation of that stock or group of stocks with respect to fisheries within the area under its jurisdiction.

The appropriate Contracting Party and the Commission shall accordingly promote the coordination of such recommendations, measures and decisions.

3. For the purpose of paragraph 2 each Contracting Party shall keep the Commission informed of its measures and decisions.

ARTICLE 6

1. The Commission may make recommendations concerning fisheries conducted within an area under jurisdiction of a Contracting Party, provided that the Contracting Party in question so requests and the recommendation receives its affirmative vote.

2. The Commission may give advice concerning fisheries referred to in paragraph 1 if the Contracting Party in question so requests.

ARTICLE 7

In the exercise of its functions, as set out in Articles 5 and 6, the Commission may consider *inter alia* measures for:

ARTICLE 8

1. The Commission may by a qualified majority make recommendations concerning measures of control relating to fisheries conducted beyond areas under the jurisdiction of

Contracting Parties for the purpose of ensuring the application of this Convention and any recommendations adopted thereunder.

2. The Commission may also make recommendations concerning measures of control relating to fisheries conducted within an area under the jurisdiction of a Contracting Party, provided that the Contracting Party in question so requests and the recommendation receives its affirmative vote.

3. Recommendations adopted under this Article may include provisions for termination different from those provided for in Article 13.

ARTICLE 9

- (c) If three or more Contracting Parties have objected to a recommendation it shall not become binding on any Contracting Party.
- (d) Except when a recommendation is not binding on any Contracting Party according to the provisions of sub-paragraph (c), a Contracting Party which has objected to a recommendation may at any time withdraw that objection and shall then be bound by the recommendation within 70 days, or as from the date determined by the Commission under paragraph 1, whichever is the later.
- (e) If a recommendation is not binding on any Contracting Party, two or more Contracting Parties may nevertheless at any time agree among themselves to give effect thereto, in which event they shall immediately notify the Commission accordingly.

ARTICLE 13

1. (a) After the expiration of one year from the date of entry into force of a recommendation adopted under paragraph 1 of Article 5, paragraph 1 of Article 8, or paragraph 1 of Article 9, any Contracting Party may notify the Commission of the termination of its acceptance of the recommendation and, if that notification is not withdrawn, the recommendation shall cease to be binding on that Contracting Party at the end of one year from the date of notification.

- (b) A recommendation which has ceased to be binding on a Contracting Party shall cease to be binding on any other Contracting Party 30 days after the date on which the latter notifies the Commission of the termination of its acceptance of the recommendation.

2. In the case of recommendations adopted under paragraph 1 of Article 6, paragraph 2 of Article 8 or paragraph 2 of Article 9, only the Contracting Party exercising jurisdiction in the area in question may notify the Commission of termination of its acceptance of the recommendation, in which event it shall cease to be binding on any Contracting Party at the end of 90 days from the date of the notification.

3. The Commission shall notify the Contracting Parties of any notification under this Article immediately upon the receipt thereof.

ARTICLE 14

1. In the interest of the optimal performance of the functions set out in Articles 4, 5 and 6, the Commission shall seek information and advice from the International Council for the Exploration of the Sea. Such information and advice shall be sought on matters related to the Commission's activities and falling within the competence of the Council, including information and advice on the biology and population dynamics of the fish species concerned, the state of the fish stocks, the effect of fishing on those stocks, and measures for their conservation and management.
2. In order to facilitate the tasks of the International Council for the Exploration of the Sea in providing information and advice to the Commission, the Commission shall seek to establish in co-operation with the Council, arrangements to ensure that research studies for this purpose, including joint studies, are encouraged and conducted efficiently and without undue delay.
3. The Commission may establish working arrangements with any other international organisation which has related objectives.

A draft budget and draft budget estimate shall be submitted by the President of the Commission to the Contracting Parties not less than 40 days before the meeting of the Commission at which they are to be considered.
4. The Commission shall determine the contributions due from each Contracting Party under the annual budgets according to the following formula:
 - (a) one-third of the budget shall be divided equally among the Contracting Parties,
 - (b) two-thirds of the budget shall be divided among the Contracting Parties in proportion of their nominal catches in the Convention Area, on the basis of the International Council for the Exploration of the Sea definitive catch statistics for the calendar year ending not more than 24 and not less than 18 months before the beginning of the budget year,
 - (c) however, the annual contribution of any Contracting Party which has a population of less than 300,000 inhabitants shall be limited to a maximum of 5% of the total budget. When this contribution is so limited, the remaining part of the budget shall be divided among the other Contracting Parties in accordance with sub-paragraph (a) and (b). This rule shall be effective for the first five budget years of the Commission and thereafter it shall be subject to annual review by the Commission which may change it by a decision adopted by a three-fourths majority of all Contracting Parties.
5. The Commission shall notify each Contracting Party of the contribution due from that Party as determined under paragraph 4 and of the date as determined by the Commission by which this contribution shall be paid.
6. The contribution of a Contracting Party which has acceded to this Convention during the course of a financial year shall, in respect of that year, be a part proportional to the number of complete months remaining in the year of the annual contribution calculated in accordance with paragraph 4.
7. Contributions shall be payable in the currency of the country in which the Office of the Commission is located.
8. A Contracting Party which has not paid by the date determined by the Commission its contributions for two years shall not enjoy the right of casting votes and of making objections under this Convention until it has fulfilled its obligations, unless, at the request of the Contracting Party concerned, the Commission decides otherwise.
9. The Commission shall adopt rules for the conduct of its financial affairs.

ARTICLE 18

By a qualified majority the Commission may sub-divide the Convention Area into regions and may alter the boundaries and vary the number of regions provided that the decision

receives the affirmative vote of each Contracting Party exercising jurisdiction in any part of the area affected.

ARTICLE 18bis²

The Commission shall make recommendations establishing procedures for the settlement of disputes arising under this Convention.

ARTICLE 19

1. Any Contracting Party may propose amendments to this Convention. Any such proposed amendment shall be sent to the Secretary at least 90 days prior to the meeting at which the Contracting Party proposes it to be acted upon. 3. An amendment shall take effect for the Contracting Parties 120 days following the date of the notification by the Depositary of receipt of written notification of approval by three-fourths of all Contracting Parties, unless any other Contracting Party notifies the Depositary, within 90 days of the date of the notification by the Depositary of such receipt, that it objects to the amendment, in which case the amendment shall not take effect for any Contracting Party. A Contracting Party which has objected to an amendment may at any time withdraw its objection. If all objections to an amendment are withdrawn, the amendment shall take effect for the Contracting Parties 120 days following the date of the notification by the Depositary of receipt of the last withdrawal.

4. A Party which ratifies, accepts, approves or accedes to this Convention after an amendment has been adopted in accordance with paragraph 2 shall be deemed to have approved the said amendment.

5. The Depositary shall promptly notify the Contracting Parties of the receipt of notifications of approval of amendments, the receipt of notification of objection or withdrawal of objections, and the entry into force of amendments.
