HOUSTON, March 14, 2013 (GLOBE NEWSWIRE) -- **Sergio Guaso**, vice president of E & P business development, Pemex, will present at Hart Energy's **DUG Permian Basin** conference and exhibition, April 2-4, at the Fort Worth Convention Center in Fort Worth, Texas.

Guaso will address unconventional resource development in Mexico, what plays stand out across the country, and where this multi-national operator is investing money and why.

Guason will present his remarks at 9:40 a.m. on Wednesday, April 3.

DUG Permian Basin, previously known as **DUG the Original**, delivers a high-level review of unconventional oil and gas developments. This year's conference features in-depth sessions on the hottest Permian Basin unconventional plays and a special midstream track focused on dramatic changes in the region's takeaway infrastructure. The **DUG Permian** program culminates in a review of emerging resource plays around the world.
