Docket No.: **75/2015**

Date of Order: **05/04/2021**

Date of publication: **06/04/2021**

Synthesis:

Poza Rica de Hidalgo, Veracruz, on April fifth, two thousand twenty-one. In view of; the secretarial certification of account and the procedural status of the present proceedings, from which it can be seen that the term of three days granted to the plaintiff by means of the order of March twenty-second of the current year, so that it could recognize as its own the signature that appears on the document registered in the Official Office of Parties of this Court under number 3509, without having complied with the required. Consequently, the warning decreed in the order of merit is effective. ELECTRONIC SIGNATURE (FIREL) Finally, on the basis of Article 22 of General Agreement 12/2020, of the Plenary of the Federal Judiciary Council, which regulates the integration and processing of the electronic file and the use of videoconferencing in all matters under the jurisdiction of the jurisdictional bodies in charge of the council itself, this agreement shall be signed electronically and the corresponding cryptographic evidence shall be added to the records.
