

Construcciones e Ingenieria S.A. de C.V. / **MWS MANAGEMENT, INC.**

CITIZEN

ING. HUGO AMAYA ENDERLE

**Head of the Office of the Deputy Manager of Supply
and Administrative Services of Drilling and Project
Services North Zone Pemex Exploración y Producción**

In relation to your letter number **SSSAPSAPZN-SRM-165-2013**, dated **February 27, 2013**, received on the same date, by which you inform our principals that on **March 1, 2013** will be the formalization of the contract number **424043804**, for the execution of "**Integral works for interventions to land wells in the Northern Region (Package I)**", we would like to state the following:

That the company **BISELL Construcciones e Ingenieria, S.A. de C.V.**, still does not have the update of the information in the Tax Administration Service (SAT), with respect to the fulfillment of the fiscal obligations of said company, therefore, we respectfully request **an extension in the date of formalization of the contract mentioned in the previous paragraph.** in order to accredit that the referred company is regular in its condition of taxpayer.

Without any other particular, we await to see a favorable outcome of the extension requested.

Sincerely,

Poza Rica de Hidalgo, Veracruz, February 28, 2013.
