International Centre for Settlement of Investment Disputes

August 18, 1980

Dear Mr. Chairman:

Pursuant to Administrative and Financial Regulation 4(4), I hereby submit to the Administrative Council for its approval the Annual Report on the operation of the International Centre for Settlement of Investment Disputes required by Article 6(1)(g) of the Convention on the Settlement of Investment Disputes between States and Nationals of Other States. This Fourteenth Annual Report covers the fiscal year July 1, 1979 to June 30, 1980.

The report includes the audited financial statement of the Centre, presented pursuant to Administrative and Financial Regulation 18.

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'A. Broches', is written over a horizontal line.

A. Broches  
Secretary-General

Mr. Robert S. McNamara  
Chairman  
Administrative Council  
International Centre for Settlement of Investment Disputes

## Highlights of the Year

During the year under review:

- the number of Contracting States increased from 75 to 79;
- the number of Signatory States increased from 80 to 84;
- one pending arbitration proceeding was terminated by an award. An amicable settlement was arrived at in another case and proceedings in a third case were continuing; and
- an agreement was signed among the Asian-African Legal Consultative Committee, the Regional Centre for Commercial Arbitration (Cairo) and ICSID, providing for cooperative arrangements between ICSID and the Cairo Centre.

## Signatures and Ratifications

During fiscal year 1980, the Convention was signed by Saudi Arabia (September 28, 1979), the Solomon Islands (November 12, 1979), Bangladesh (November 20, 1979), and Israel (June 16, 1980), bringing the number of Signatories to 84. Instruments of ratification were deposited by Rwanda (November 14, 1979), Bangladesh (April 26, 1980), New Zealand (May 2, 1980), and Saudi Arabia (June 7, 1980). At June 30, 1980, there were 79 Contracting States. A list of Contracting States and other Signatories of the Convention appears in Annex 1.<sup>1</sup>

## Thirteenth Annual Meeting of the Administrative Council

The Thirteenth Annual Meeting of the Administrative Council was held in Belgrade on October 4, 1979, in conjunction with the Annual Meeting of the Board of Governors of the World Bank. At this meeting the Council approved the Thirteenth Annual Report on the operation of the Centre and the

budget for Fiscal Year 1980. It also adopted a resolution authorizing certain administrative arrangements relating to the place of proceedings. The resolutions are reproduced in Annex 5.

## The Additional Facility

The Additional Facility Rules, an annotated version of which is available on request from the Centre,<sup>2</sup> are designed to be used in proceedings between a State and a private investor where the State is not a Contracting State or the investor is not a national of a Contracting State; in proceedings where the legal dispute does not arise directly out of an investment; and in fact-finding proceedings. During the past fiscal year no agreement contemplating recourse to the Additional Facility proceedings has been submitted for approval to the Secretary-General.

## Cooperation with the Asian-African Legal Consultative Committee

As noted in last year's Annual Report, an agreement was signed in February 1979 among the Asian-African Legal Consultative Committee (AALCC), the Regional Centre for Commercial Arbitration (Kuala Lumpur), established by the AALCC, and ICSID providing for reciprocal assistance in connection with proceedings conducted under the auspices of ICSID and the Kuala Lumpur Centre respectively.<sup>3</sup> A similar agreement was signed on February 6, 1980, among ICSID, the AALCC and the Regional Centre for Commercial Arbitration (Cairo). The agreement was signed for ICSID by the Secretary-General, for the AALCC by its Secretary-General, Mr. B. Sen, and for the Cairo Centre by its Director, Mr. A. R. Khafagy. The text of the latter agreement, which was entered into

by ICSID pursuant to Resolution 44 adopted at the Thirteenth Annual Meeting, is reproduced in Annex 6.

As a result of the conclusion of the two agreements with the AALCC, parties may now, pursuant to Article 63 of the Convention, choose Cairo or Kuala Lumpur as the seat of ICSID conciliation or arbitration proceedings.<sup>4</sup> The signing ceremony in Cairo was presided over by His Excellency the Minister of Justice, Mr. Anwar A. Abou Sehly. Mr. Sen and the Secretary-General of ICSID delivered lectures on their respective institutions.

Mr. Sen attended the Thirteenth Annual Meeting of ICSID as a representative of the AALCC, and the Secretary-General of ICSID attended the Twenty-first Session of the AALCC in Jakarta on April 24-May 1, 1980.

### **The Panels**

As of June 30, 1980, forty-four States had, pursuant to Article 13(1) of the Convention, designated persons to serve on the Panel of Conciliators and on the Panel of Arbitrators.<sup>5</sup> One hundred forty-eight conciliators and one hundred forty-six arbitrators had been designated by Contracting States, and one arbitrator had been designated by the Chairman of the Administrative Council pursuant to Article 13(2) of the Convention.

Parties to proceedings before the Centre may choose conciliators and arbitrators from the Panels but are not required to do so. The Chairman, however, when called upon to appoint members of Conciliation Commissions and Arbitral Tribunals is required to select persons from the Centre's Panels. Contracting States that have not yet done so, are, therefore, urged to make the necessary designations, so as to give the Chairman a wide choice of qualified persons when making such appointments.

### **Advance Acceptance of the Jurisdiction of the Centre**

Article 25(1) of the Convention requires that parties consent in writing to submit dis-

putes to the Centre. To assist parties to investment agreements wishing to provide for ICSID jurisdiction, the Centre has prepared a set of model clauses which takes into account all necessary jurisdictional requirements of the Convention.<sup>6</sup> It also has available a document indicating actions taken by Contracting States as to exclusion of territories, designation of constituent subdivisions or agencies to whose investment disputes the jurisdiction of the Centre extends, notifications that no approval by the State is required for the consent by a constituent subdivision or agency to the jurisdiction of the Centre, and notifications of the class or classes of disputes which the State would or would not consider submitting to the jurisdiction of the Centre.<sup>7</sup>

Parties, however, are not required to record their consent in the same instrument, and a Contracting State could, for example, give its consent in an investment law or a bilateral treaty. References to the Centre in national legislation and in bilateral treaties between capital exporting and capital importing States have been increasing steadily. Annex 4 gives an up-to-date list of all such laws and treaties.

### **Disputes Submitted to the Centre**

During the past year one case was terminated by an award. In the two cases still pending before the Centre at June 30, 1980, awards were expected to be rendered within a few months.

Earlier data regarding proceedings pending at June 30, 1979, and data concerning proceedings terminated before that date may be found in Annex 6 of the Eleventh Annual Report (1976-77), pages 5 and 6 of the Twelfth Annual Report (1977-78), and pages 5 and 6 of the Thirteenth Annual Report (1978-79).

**Finance**

The Financial Statement of the Centre for Fiscal Year 1980 is set forth in Annex 7. The expenditures of the Centre were again covered entirely by the value of the services and facilities made available by the World Bank free of charge pursuant to the Memorandum of Administrative Arrangements concluded between the Bank and the Centre in February 1967,<sup>10</sup> and by income from the sale of publications. Thus it was not necessary to assess any excess expenditures to the Contracting States pursuant to Article 17 of the Convention.

The Centre's expenses which are attributable to the pending arbitration proceedings are borne by the parties in accordance with the Centre's Administrative and Financial Regulations. In accordance with these Regulations, the Secretary-General calls on the parties from time to time to make advance deposits to defray the expenses of the proceedings.

**Publications**

Annex 8 gives a list of publications prepared by the Centre and available, for the most part, free of charge.

A bibliography, which lists publications containing the official texts of the Convention and unofficial translations, the Institution, Conciliation and Arbitration Rules, and books, articles and reports concerning the Convention and the Centre, is being periodically brought up to date and is available from the Centre on request.

The Centre prepared during the past year a new volume for the loose-leaf service "Investment Laws of the World". Eleven volumes are available. The laws of 59 countries have now been published (Afghanistan, Benin, Botswana, Burundi, Cameroon, Central African Republic, Chad, Congo, Cyprus, Egypt, Ethiopia, Fiji, Gabon, Gambia, Ghana, Greece, Guinea, Guyana, Indonesia, Ivory Coast, Jamaica, Jordan, Kenya, Korea, Lesotho, Liberia, Madagascar, Malawi, Malaysia, Mali, Mauritania, Mauritius, Morocco, Nepal, Niger, Nigeria, Pakistan, Papua New Guinea, Philippines, Romania, Rwanda, Senegal, Seychelles, Sierra Leone, Singa-

pore, Somalia, Sri Lanka, Sudan, Swaziland, Taiwan, Togo, Trinidad and Tobago, Tunisia, Uganda, Upper Volta, Western Samoa, Yugoslavia, Zaire, and Zambia).

The service is being published and sold commercially by Oceana Publications, Inc. of Dobbs Ferry, New York. It deals on a country-by-country basis with internal law and international agreements affecting foreign investment, and consists of a compilation of constitutional, legislative, regulatory and treaty materials. It is periodically updated and supplemented as necessary. A brochure concerning the service is available from the publisher or the Centre on request.

The Administrative Council

#### **RESOLVES**

To authorize the Secretary-General to sign, on behalf of the Centre, agreements with appropriate private or public institutions concerning administrative arrangements relating to the place of proceedings, substantially along the lines of such agreements heretofore approved by the Council.

**AGREEMENT AMONG THE ASIAN-AFRICAN LEGAL CONSULTATIVE COMMITTEE, THE REGIONAL CENTRE FOR COMMERCIAL ARBITRATION (CAIRO) (ACTING THROUGH THE ASIAN-AFRICAN LEGAL CONSULTATIVE COMMITTEE), AND THE INTERNATIONAL CENTRE FOR SETTLEMENT OF INVESTMENT DISPUTES REGARDING GENERAL ARRANGEMENTS BETWEEN THE REGIONAL CENTRE AND THE ICSID**

**WHEREAS:**

Article 63(a) of the Convention on the Settlement of Investment Disputes between States and Nationals of Other States provides in pertinent part that:

"Conciliation and arbitration proceedings may be held, if the parties so agree,

- (a) at the seat of the Permanent Court of Arbitration or of any other appropriate institution, whether private or public, with which the Centre may make arrangements for that purpose; . . ."

**WHEREAS:**

In addition, the Rules of Procedure for Conciliation and for Arbitration Proceedings adopted by the Administrative Council of the International Centre for Settlement of Investment Disputes (hereinafter called the "ICSID") provide for the possible examination of witnesses and experts in places other than before a Conciliation Commission or Arbitral Tribunal.

**WHEREAS:**

The Asian-African Legal Consultative Committee (hereinafter called the "Committee") has established a Regional Centre for Commercial Arbitration at Cairo (hereinafter called the "Regional Centre").

**WHEREAS:**

The functions of the Regional Centre *inter alia* are to:

- (a) promote international commercial arbitration in the region;
- (b) coordinate and assist the activities of existing arbitral institutions particularly among those within the region; and
- (c) provide for arbitration under its auspices where appropriate.

**WHEREAS:**

The Committee has requested the Secretary-General of the Committee to approach governments and existing arbitral institutions for obtaining suitable facilities for the Regional Centre.

**WHEREAS:**

The ICSID, the Regional Centre (acting through the Committee) and the Committee are each desirous that the foregoing provisions be implemented by making appropriate arrangements between the ICSID and the Regional Centre (hereinafter called the "Institutions").

**WHEREAS:**

It is understood that any arrangements concluded for this purpose between the Institutions should be reciprocal in nature and should take account of (a) the inevitable uncertainty as to the extent to which the parties to proceedings conducted under the auspices of either Institution will desire to conduct part or all of these proceedings at the seat of the other; and (b) the limited facilities available to both Institutions and to the priority that each must grant to proceedings conducted under its own auspices.

NOW THEREFORE the Parties hereto hereby agree as follows:

1. Whenever the parties to a proceeding conducted under the auspices of either Institution (the Requesting Institution) desire to conduct all or any part of the proceeding at the seat of the other Institution (the Host), the Officer of the Requesting Institution will inform the Officer of the Host, indicating to him the facilities and services expected to be required and the dates of such requirement, and specifying in particular the need for:

- (a) meeting rooms, offices and other premises;
- (b) office, simultaneous interpretation and other equipment;
- (c) services of interpreters, translators and other personnel.

A copy of the request will be furnished to the Officer of the Committee.

2. As soon as possible upon receipt of such a request the Officer of the Host will indicate the extent to which the required facilities and services can be made available on the dates indicated.

3. Thereupon, after the Officer of the Requesting Institution has consulted with the parties and with the members of the Commission or Tribunal concerned, the Officers of the Institutions will conclude specific arrangements for the particular proceeding by an exchange of letters.

4. The Requesting Institution will reimburse the Host for any expenditures incurred by the latter under such arrangements, as provided in the exchange of letters.

5. Members of the staff of the Host assigned temporarily to the Requesting Institution will during such period work exclusively under the direction of and be responsible to the Officer of the latter institution.

6. For purposes of this Agreement "Officer" means: in case of (a) the ICSID, its Secretary-General; (b) the Regional Centre, its Director; and (c) the Committee, its Secretary-General.

This Agreement may be modified or supplemented at any time by mutual agreement among the parties hereto. Each said party may, after reasonable notice, terminate the Agreement, provided that such termination shall not affect any prior specific arrangements entered into under paragraph 3 above.

This Agreement shall become effective upon signature.

#### Note to Financial Statements

June 30, 1980 and June 30, 1979

The Memorandum of Administrative Arrangements between the Centre and the International Bank for Reconstruction and Development (the Bank) which became effective as of October 14, 1966, provides, *inter alia*, that, except to the extent that the Centre may be reimbursed by the parties to proceedings for fees and expenses of members of Conciliation Commissions, Arbitral Tribunals or Committees of Arbitrators, the Bank shall provide the following services and facilities to the Centre:

- (1) the services of staff members and consultants;
- (2) other administrative services and facilities, such as travel, communications, office accommodations, furniture, equipment, supplies and printing.

The Centre does not have resources of its own. The reported expenditures on behalf of the Centre represent the value of the services provided by the Bank and include only those amounts identified by the Bank as being directly related to the Centre, and, accordingly, do not include any indirect or overhead costs of the Bank. The reported contributions of \$214,805 and \$168,977 in 1980 and 1979, respectively, are equal to the value of services provided by the Bank, less reimbursements by the Centre from its sale of publications and registration fees. The expenditures made on behalf of the Centre by the Bank are shown below:

	1980	1979
Staff personal services .....	\$ 137,688	\$ 133,572

Less: Reimbursements by Centre from sale of publications and registration fees .....	(5,695)	(7,137)
Total .....	<u>\$ 214,805</u>	<u>\$ 168,977</u>

The Centre's expenses which are attributable to arbitration proceedings are borne by the parties in accordance with the Centre's Administrative and Financial Regulations. In accordance with these Regulations, the Secretary-General calls on the parties to make advance deposits with the Centre from time to time to defray these expenses. The cash balances reflected in the statements of composition of fund balance represent advances from parties to proceedings and amounts due to the Bank.

### Report of Independent Accountants

In our opinion, the accompanying statements of composition of fund balance and the related statements of changes in fund balance present fairly the composition of fund balance of the International Centre for Settlement of Investment Disputes for the years ended June 30, 1980 and 1979, and the changes in fund balance for the years then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year and in accordance with the Administrative Arrangements between the International Bank for Reconstruction and Development and the International Centre for Settlement of Investment Disputes, as discussed in the Note to the accompanying statements. Our examinations of these statements were made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.
